CHIEF & COUNCIL UPDATE

May 1, 2026

Great progress is being made in our discussions on the Ottawa Senators project which was last reported on, in the March 13th newsletter.

Two weeks ago, on April 15th, 2026 the Algonquin Nation Chiefs and Councillors on the working group, met with Sen's owner Michael Andlauer and his partners at the Canadian Tire Center, to continue building on the relationship.

We heard really good things from the Ottawa Senators and we will be signing a Memorandum of Understanding with them very soon. Additionally, we expect to have a Term Sheet signed with the National Capital Commission regarding the lands that the Nation will receive in the LeBreton Flats area in Ottawa. All good news.

I will continue to keep you informed as this work progresses. Migwetch for your continued support and engagement - **Chief Greg Sarazin.**

Opening Doors to Opportunity: Former Pikwakanagan Chief Clifford Meness Honoured for Transforming Natural Resource Development in First Nation Communities

A visionary leader whose work reshaped the future of natural resource development in First Nation communities, former Chief of the Algonquins of Pikwakanagan First Nation Clifford Meness was recently recognized for opening doors where few once existed. Through determination, collaboration, and a deep commitment to community prosperity, his legacy has helped create lasting opportunities across Ontario—empowering First Nations to take a stronger role in stewarding and benefiting from their lands.

“Clifford (Cliff) Meness was the mastermind behind creating the co-managed [Anishinabek/Ontario Fisheries Resource Centre](#). The organization serves as the connecting link between the 39 Anishinabek Nations and the province when it comes to fisheries management” said Scott McLeod, Regional Chief for the Lake Huron Region.

Over the past 28 years, the Centre has delivered more than 150 fisheries projects in partnership with First Nations and government agencies. These initiatives have included surveys, index netting, tagging studies, fish habitat inventories, and the idea of creating existing fisheries data to support the development of Resource Management Plans. Most projects were led by host First Nations with support from the A/OFRC, while others were carried out by the A/OFRC on their behalf.

McLeod reiterated that they're now looking at more initiatives in First Nation communities revolving round fisheries management. The Ontario Fishers and Resource Centre now has a staff of roughly a dozen that work on behalf of the First Nations, pushing to build capacity and help other First Nations who have a Natural Resources department, train technicians to do the necessary work for their community.

JOSEE BOURGOIS

KWEY~HELLO
 I'M EXCITED TO SHARE SOME BIG NEWS WITH THE COMMUNITY OF PIKWĀKANAGĀN. AS OF MAY 7TH I WILL BE PREMIERING IN A REOCCURRING ROLE IN SEASON 1 OF CRAVE TV'S AWAITED TELEVISION SERIES, BON COP BAD COP. THIS IS AN ADAPTATION OF THE CANADIAN LEGENDARY FILM SERIES FROM ALSO 2 DECADES AGO, BON COP BAD COP. ALSO, 2 OTHER ALGONQUIN ACTORS ARE CASTED, MOTHER AND SON FROM KITIGAN ZIBI, BRENDA AND JOSH ODJICK. (JOSH IS LEAD IN PHOTO) AND, THE OG NATUVE A TOR SENSATION, NATHANIEL ARCHAND!!! THIS SHOW FEATURES NOT ONLY A HEAVY CENTERED STORY LINE AROUND FIRST NATIONS PLACES AND PEOPLE BUT ALSO FEATURES THE REPRISD ROLE OF DAVID BOUCHARD BY PATRICK HUARD AND NEW CAST OF HENRY CZERNY AS MARTIN WARD PREVIOUSLY PLAYED BY LEGENDARY CANADIAN ACTOR, COLME FEORE. IT'S NOT EVERYDAY, ANYONE, LET ALONE PEOPLE AN ALGONQUIN WOMAN IS CASTED IN BOTH HISTORIES MAKING INDIGENOUS THEATRE PRODUCTIONS, ROSE BY THOMPSON HIGHWAY, NATIONAL ARTS CENTER, AND A REOCCURRING ROLE IN A MAJOR TELEVISION NETWORK SHOW. DON'T MISS IT ON CRAVE TV ✦

Important Health Updates & Guidance — Bush Fire Reported Off Round Lake Road

Dear Community Members,

The Killaloe, Hagarty, Richards (KHR) Fire Department has reported a bush fire off Round Lake Road. Wildfires can pose significant challenges to air quality and health, especially for individuals with respiratory conditions, children, and Elders. To help you stay safe during this event, please review the recommendations below:

- **Stay Indoors:** Keep windows and doors tightly shut to prevent smoke from entering your home. If available, use air purifiers or set air conditioners to recirculation mode.
- **Limit Outdoor Activities:** Avoid outdoor exercise or strenuous activity when the air is smoky. If you must go outside, wear a well-fitted mask such as an N95 to help reduce exposure to smoke particles.
- **Monitor Local Updates:** Stay connected with local authorities, community channels, or weather apps for up-to-date information about wildfire status and air quality alerts.
- **Protect Vulnerable Individuals:** Be attentive to the needs of children, Elders, and those with chronic health conditions. Seek medical care if anyone experiences difficulty breathing, chest pain, or other health concerns.
- **Ensure Prescriptions Are Filled:** For people with respiratory conditions such as asthma or COPD, make sure that prescriptions, especially inhalers and other essential medications, are filled and easily accessible. If possible, arrange for refills or extra supplies ahead of wildfire events. Consult your healthcare provider for advice on managing symptoms and keeping medications safe from smoke exposure.
- **Prepare for Evacuation:** Keep an emergency kit ready with essential medications, water, and important documents. Follow evacuation instructions promptly if issued by local authorities.

Local Contacts & Services

- **KHR Fire Department:** Emergency: 911 | Non-Emergency: 613-757-3615
- **Algonquins of Pikwakanagan First Nation Health Services:** 613-625-2259
- **Algonquins of Pikwakanagan Home and Community Care** 613-625-1230
- **Conway's Pharmacy Services:** 613-625-9974

By ensuring prescriptions are filled and following these precautions, community members can help protect their health and navigate wildfire events more safely.

Stay connected with local health officials for the latest information and support. Remain alert for changing conditions and follow official guidance as the situation develops.

Stay safe, Pikwakanagan!

May 2026

Community Health Thoughts of the month

Spring into health and wellness!

May is the perfect time to step outside and let the sunshine do a little healing, whether it's a slow morning walk or just sipping your coffee in the fresh air. 🌿

Open the windows, reset your space, and give your mind a gentle spring clean along with your home.

Try adding something small and nourishing to your routine, like fresh fruits, more water, or a few quiet moments just for you.

And don't forget, wellness can be simple: a deep breath, a good laugh, and a little time in nature go a long way.

May Awareness Month Topics

Skin Cancer Awareness Month

A gentle reminder to take care of the skin you're in. Protect yourself by wearing sunscreen, seeking shade, and checking your skin regularly for any new or changing spots. See the handy ABCDE of mole check list!

Hypertension Awareness Month

A good reminder to keep an eye on your blood pressure. If your readings are consistently above 120/80, it's worth getting checked and talking with a healthcare provider. High blood pressure often has no symptoms, but small steps like staying active, eating well, and managing stress can make a big difference.

Untreated high blood pressure can:

- Increase your risk of heart attack and stroke
- Damage your kidneys
- Lead to vision problems

That's why keeping it in check, and getting it looked at if it's running high really matters.

2nd Valvular Heart Disease Screening Day

Date: Wednesday June 24th, 2026

Location: Health Services

Valvular heart diseases are dysfunctions of the “doors” that direct blood flow within the heart. These diseases affect hundreds of thousands of people in Canada. Heart valve problems are often undetected, and late detection may have severe consequences.

The University of Ottawa’s Heart Institute mobile screening program offers early detection, diagnosis and treatment.

We are seeking **Pikwakanagan community members and staff 50+** who **have not yet had this screening done** and who currently **do not have any know heart disease or history, pacemakers/stents, or are currently followed by a cardiologist.**

Your 30-to-60-minute appointment involves:

- a mini ultrasound of your heart
- questioning, measurements, and rapid finger poke blood tests to evaluate your cardiovascular risk factors
- A cardiologist will review the results and recommendations will be provided at the end of your visit.

If interested Call 613-625-2259 ext. 232 to talk to our Chronic Disease Management Nurse Taylor to determine your eligibility

Courtney Roach

Addictions Counsellor

Hi! Kwey! My name is Courtney Roach. I am an addictions counsellor at Health Services.

About Me

I have been an addictions counsellor for the past 4 years. I strive to create a safe, respectful and non-judgmental space where people feel heard and supported. I am grateful to be part of the team and to support individuals and families with compassionate, client-centered care. Outside of my role, I enjoy being outdoors with my two dogs, snuggling with my cat, reading and baking! I look forward to connecting with you! Miigwetch, Thank You 😊

MOSQUITO-BORNE ILLNESSES

Mosquitos of Concern

There are many different mosquito species found in Renfrew County.

West Nile Virus can spread to humans by an infected female Culex mosquito. The mosquito can become infected after feeding on an infected bird. The most common types of affected birds include Ravens, Crows, Blue Jays, House Sparrows, Grackles, and Robins.

Equine Encephalitis Virus is another rare infection that can be spread by mosquitos after feeding on an infected bird.

Mosquito Surveillance Program

Health Services participates in a mosquito surveillance program with Trudy Stanfield, Regional Zoonotics Manager at First Nations and Inuit Health Branch

I found a Dead Bird!

Carefully dispose of dead birds on your property. If you find a dead bird on your property, do not touch it with your bare hands. Use a shovel to pick the bird up and place it into a plastic bag. Double bag it and close both bags tightly. Place the bird in the garbage. Wash your hands with soap and water afterwards.

Community Health

Melissa Pessendawatch, Community Health Representative

Jessica Schwan, Community Health Nurse

613-625-2259
chre@pikwakanagan.ca
chn@pikwakanagan.ca

Remove standing water on your property after a rainfall

Prevent Mosquitos from Breeding

Mosquitoes require standing water to lay their eggs. Mosquitoes can lay 100-400 eggs at a time. The eggs hatch in 1-2 days and become larvae. The larvae will become mosquitoes in about 10 days. By reducing the amount of standing water around your home, you can significantly decrease mosquito breeding. Remove potential breeding sites in early Aprils and continue throughout the summer.

1. Clean bird bathes twice a week
2. Cover and turn over any toy, container or equipment that can hold water
3. Clean roof gutters and place screens over rain barrels
4. Repair outdoor faucets that leak
5. Store small boats upside down
6. Fill in hollow tree stumps and rot holes with sand
7. Dispose of cans, bottles, tires, etc that may hold water
8. Clean and chlorinate swimming pools and hot tubs.

Prevent Mosquito Bites

- Keep mosquitoes out by using screens or mosquito netting over open windows, doors, tents, and stollers
- Wear light colour, long sleeved and loose clothing
- Use bug spray with DEET or Icaridin on uncovered skin, clothes, and on top of sunscreen. Be sure to always follow label instructions.
- Be mindful mosquitoes are most active between dusk and dawn
- Avoid using scented products
- Turn on a fan indoors to prevent mosquitoes from flying

TICK-BORNE ILLNESSES

Ticks in Renfrew County

Ticks of Concern

There are 43 different species of found in Ontario.

An infected Black-Legged Tick (Deer tick) can spread: Anaplasmosis, Lyme Disease, Babesiosis, Powassan Virus Disease

Other ticks that can spread disease include the American Dog Tick, Groundhog Tick, Rocky Mountain Wood Tick, Squirrel Tick and Lone Star Tick.

Tick Surveillance Program

Health Services participates in a tick surveillance program with Trudy Stanfield, Regional Zoonotics Manager at First Nations and Inuit Health Branch

 Female Adult-stage Blacklegged or Deer tick (*Ixodes scapularis*)

How can I protect myself?

Prevent Tick Bites

Before going to places where ticks are found:

- Wear closed-toe shoes
- Tuck shirt into pants and pants into socks
- Wear light colour and long sleeved coats and pants
- Apply insect repellent containing DEET or Icaridin

While outdoors:

- Walk on cleared paths or trails
- Keep children and pets from wandering off paths
- Avoid using trails created by animals as ticks are more likely to be found on these trails

When returning indoors:

- Do a full-body tick check and shower to wash off ticks
- If ticks are on your clothes, wash clothes in hot water and dry with high heat (ticks can survive cold-warm wash cycle)
- Check your pets for ticks

I have a tick!

Tick Removal

Remove the attached tick ASAP. Use clean, fine-point tweezers to grasp the head as close to the skin as possible, and pull straight out. Try not to twist or squeeze the tick. If the mouthparts break off and remain in the skin, remove them with tweezers.

Do not remove the tick by burning it or smothering it. This can cause the tick to release its stomach contents, which can increase your chance of infection.

Next Steps

Bring the tick to Melissa, Community Health Representative for submission to the Tick Surveillance Program. Speak with the Family Health Team or Jessica, Community Health Nurse for medical advice as soon as possible. Antibiotics may be needed if the tick with attached for longer than 24 hours and if it was removed within the past 72 hours.

Monitor yourself for symptoms of Lyme Disease for the next 30 days: bulls-eye rash, fatigue, muscle aches, headache, fever, stiff neck, and decreased appetite. See the Family Health Team if this occurs.

Reduce Ticks Around Your home

Ticks are often found near areas with tress, shrubs, grass, wood piles and piles of leaves.

They don't survive long in dry, sunny areas.

Mow your lawn to keep grass short, remove brush, prune trees and shrubs, and place patios, decks, and children's play equipment in sunny areas.

AOPFN EMPLOYMENT OPPORTUNITY

Operator in Charge (OIC)

Department: Public Works - Water Treatment Plant

Supervisor: Public Works Manager

\$59,841.60 - \$66,053.93 annually

1 yr Fixed Term - Possibility of Permanency - 35 hrs/ week

Deadline to Apply: Ongoing until position is filled

The Operator-In-Charge (OIC) is responsible for the safe, compliant, and efficient daily operation of the water treatment plant. The OIC monitors treatment systems, manages SCADA operations, adjusts chemical levels, and performs maintenance to ensure water quality meets regulatory standards.

As the highest-certified operator, the OIC provides direction to staff, ensures regulatory compliance, serves as the primary contact for environmental agencies, and leads response efforts during operational issues or emergencies to support the reliable delivery of safe drinking water.

DUTIES AND RESPONSIBILITIES:

1. Service Delivery

- Operate computerized control systems (SCADA) to regulate water filtration, treatment, and distribution.
- Collect and test water samples for bacterial, chemical, and physical quality, adjusting treatment processes accordingly.
- Measure, mix, and feed treatment chemicals such as chlorine, fluoride, and ammonia.
- Perform and support service delivery activities, including maintenance, operation, and repairs related to water mains and hydrants.
- Respond to and manage emergency situations or equipment malfunctions.

For full Job Description please email hr@pikwakanagan.ca

REQUIREMENTS:

- **Certification:** Valid, advanced-level water treatment operator certification (e.g., Level I or II) in compliance with local regulatory requirements (e.g., OWWCO certification in Ontario).
- **Education:** High school diploma required; post-secondary education in environmental science, engineering technology, or a related field is considered an asset.
- **Skills:** Strong knowledge of water treatment processes, SCADA systems, chemistry, and troubleshooting.
- **Physical Ability:** Ability to lift heavy objects (often 50+ lbs) and work in challenging, noisy, or outdoor environments.
- **Communication:** Effective written and verbal communication for reporting and dealing with public inquiries.

How to Apply

- Cover Letter
- Current Resume
- Three (3) professional/work-related references that include name, phone number and email address.

Submit to:

Human Resources Department
Algonquins of Pikwakanagan First Nation
1657A Mishomis Inamo, Pikwakanagan, Ontario, KOJ 1X0

hr@pikwakanagan.ca

Subject Line: Operator in Charge (OIC)

Please allow for 24 hours to receive a 'Confirmed Receipt' of your application submission should you apply via email.

Application Procedure: Interested persons must submit a resume demonstrating that they meet the requirements outlined and the names and day contact telephone numbers of three (3) professional references.

Screening Procedure: Applicant must not be a member of the supervisor's immediate family. The best qualified candidate will be defined and determined so as to include the following: Provided the candidate meets the basic requirements of the position and is deemed qualified following the interview process, preference will be given to:

- a) the qualified indigenous person who is an Algonquin; then to,
- b) the qualified indigenous person; then to,
- c) the qualified non-indigenous candidate.

Interviews: Interviews will be conducted in-person or virtually by Teams Meeting. AOPFN has the right to shortlist for interview/assessment purposes of the five (5) most qualified persons and typically establishes an eligibility list.

What Algonquins of Pikwakanagan First Nation Offers:

- Pension Plan
 - (Permanent EE only)
- Paid Sick Days
- 4% Vacation
- Holiday Shutdown
 - (Conditions Apply)
- 14 Provincial and Federal Statutory Holidays
- Health Spending Account (Dental, Vision, Prescriptions, etc.)
- Milestone Recognitions & Rewards
- Half days on Fridays prior to holiday Mondays
 - (Conditions Apply)

We are committed to achieving employment equity and developing a highly capable workforce that is representative of Canadian Society. We therefore encourage women, Indigenous peoples, persons with disabilities, and members of visible minority groups to apply and declare themselves as part of one or more of the above mentioned Employment Equity Designated Groups.

AOPFN is also committed to developing inclusive, barrier-free selection processes and work environments. If contacted in relation to a job opportunity or testing, you should advise the recruitment representative in a timely fashion of the accommodation measures which must be taken to enable you to be assessed in a fair and equitable manner. Information received relating to accommodation measures will be addressed confidentially.

AOPFN EMPLOYMENT OPPORTUNITY

Project Operations Manager, Neyagada Wabandangaki

Department: Consultation

Supervisor: Manager, Consultation

35 hr/week - Fulltime - Permanent

Starting at \$72,800.00 annually/ Based on Experience & Education

Deadline to Apply: Friday, May 8th, 2026 at 4:00PM

The Algonquins of Pikwakanagan First Nation (AOPFN) has an established Neyagada Wabandangaki ("Caretakers of the Land") Guardian Program (NWGP) focused on cultural revitalization and environmental stewardship across our territory. The NWGP will serve as a strategy for collaborative, long-term environmental monitoring and adaptive management-related activities with a strong focus on upholding and protecting AOPFN values.

The Project Operations Manager, Neyagada Wabandangaki, working under the direction of the Consultation Department Manager, will fulfill a long-term management role and have a wide range of duties, which include:

- Carrying out administrative duties including work planning, managing budgets, writing funding proposals, and reporting internally and externally.
- Identifying priority areas and values where monitoring will take place;
- Supporting the recruitment and training of Guardians to carry out monitoring activities;
- Facilitating communication between AOPFN leadership/staff/community members and project stakeholders/partners (e.g. proponents, federal funders, contractors);
- Collaborating and networking with other communities and industry partners
- Maintaining relationships with Elders and Knowledge Keepers to ensure that activities and ceremonies are carried out in a culturally appropriate manner;
- Developing foundational guiding documents and resources for the program (e.g. data collection platform/protocols/equipment, etc.)

For full Job Description please email hr@pikwakanagan.ca

REQUIREMENTS:

- Post-Secondary Certification/Diploma/Degree in a relevant area of study related to environmental studies, and must demonstrate a minimum of two years' experience in leadership practices, project management coordination, facilitation, and budget oversight, and

PHYSICAL REQUIREMENTS:

- Must meet physical and cognitive demands of the position: candidates may be required to undergo a pre-employment medical assessment or functional abilities medical evaluation to identify any limitations or restrictions, prevent and minimize health and safety risks and to demonstrate the level of the candidate's ability to travel to remote or isolated locations and perform work outdoors, in extreme weather during all seasons; physically demanding and moving, hiking long distances, packing heavy field equipment to remote sites; physically able to lift a minimum of 50lbs.

How to Apply

- Cover Letter
- Current Resume
- Three (3) professional/work-related references that include name, phone number and email address.

Submit to:

AOPFN EMPLOYMENT OPPORTUNITY

Recreation Coordinator

Department: Sports & Recreation

Supervisor: Manager, Sports & Recreation

\$43,901.00 - \$48,458.00 annually - Based on Experience & Education

2 yr contract 2026 to March 31, 2028

Deadline to Apply: Friday, May 8th, 2026 at 4:00PM

The Recreation Coordinator will provide sports and recreation information, along with basic instruction, to all community members accessing programming. They will carry out all duties in a manner that maintains complete confidentiality, recognizing the privacy rights of all community members. At all times, the Coordinator will represent the views, opinions, and policies of the Council of the Algonquins of Pikwakanagan in a true and unbiased manner. Additionally, they will develop and maintain strong working relationships with governments, agencies, Indigenous organizations, associations, and business partners connected to the Algonquins of Pikwakanagan.

DUTIES AND RESPONSIBILITIES:

1. Service Delivery

- Assist all age groups participating in activities and programming at the Makwa Centre and out areas.
- Assist youth at risk targeting inactivity, offer motivation and encouragement to all participants
- Prepare, plan and implement safe effective sports and recreation programs and activities for all community members
- Keep up to date on new information, innovative trends in the sports and recreation field.
- Create incentive programs and activities to get community members motivated and involved.
- Ensure advertising and promotion of all sports and recreation programming and activities.
- Works as a member of the Sports & Recreation team providing support and assistance in all areas as needed throughout the department.
- Ensure a clean, sanitized workspace and overall clean facility area such as main gym and fitness centre in partnership with the Maintenance and Custodial worker in the Sports & Recreation department.

For full Job Description please email hr@pikwakanagan.ca

REQUIREMENTS:

- College diploma in Sports/Recreation field with one years' work experience.
- Various field certificates, combined with experience working with people in a sport/recreation environment
- Grade 12 diploma with work experience in the sport/recreation field.

How to Apply

- Cover Letter
- Current Resume
- Three (3) professional/work-related references that include name, phone number and email address.

Submit to:

Human Resources Department
Algonquins of Pikwakanagan First Nation
1657A Mishomis Inamo, Pikwakanagan, Ontario, KOJ 1X0

hr@pikwakanagan.ca

Subject Line: Recreation Coordinator

Please allow for 24 hours to receive a 'Confirmed Receipt' of your application submission should you apply via email.

Application Procedure: Interested persons must submit a resume demonstrating that they meet the requirements outlined and the names and day contact telephone numbers of three (3) professional references.

Screening Procedure: Applicant must not be a member of the supervisor's immediate family. The best qualified candidate will be defined and determined so as to include the following: Provided the candidate meets the basic requirements of the position and is deemed qualified following the interview process, preference will be given to:

- a) the qualified indigenous person who is an Algonquin; then to,
- b) the qualified indigenous person; then to,
- c) the qualified non-indigenous candidate.

Interviews: Interviews will be conducted in-person or virtually by Teams Meeting. AOPFN has the right to shortlist for interview/assessment purposes of the five (5) most qualified persons and typically establishes an eligibility list.

What Algonquins of Pikwakanagan First Nation Offers:

- Pension Plan
 - (Permanent EE only)
- Starting at 10 Paid Sick Days
- 4% Vacation
- Holiday Shutdown
- 14 Provincial and Federal Statutory Holidays
- Health Spending Account (Dental, Vision, Prescriptions, etc.)
- Milestone Recognitions & Rewards
