

Algonquins of Pikwakanagan First Nation

HEALTH NOTICE

The Algonquins of Pikwakanagan First Nation is taking a pro-active approach for our community.

The COVID-19 pandemic has not reached Pikwakanagan BUT we are recommending and implementing the following measures to reduce the risk of spread by:

1. SOCIAL DISTANCING & SELF ISOLATION

- Anyone over the age of 65 should self-isolate
- Anyone with flu like symptoms should self-isolate
- Anyone with international travel history in the last 14 days should self-isolate
- Anyone with chronic health issues (regardless of age) should self-isolate
- All community residents should practice social distancing (minimize contact with other people)

2. AOPFN - CLOSURE

- Effective 4:30 pm Monday March 16, 2020 all non-essential services will be unavailable until we re-open on Monday April 6, 2020.
- All non-essential services and staff will work from home.
- Essential services i.e. Nurses, PSW's, Mental Health and Emergency Services will be on stand-by.
- Most employees will have access to their work emails.

3. FOOD & SUPPLIES

- Non-perishable items, food, supplies and vouchers will be increased.
- Access to these items will be delivered to households by a team.
- Call: (613) 625-2259 leave your name, telephone number and address.

4. PRIVATE BUSINESS ADVISORY

We **HIGHLY** encourage businesses within Pikwakanagan close (with the exception of gas stations) until after April 5th 2020 OR implement the following recommendations:

- Reduce business hours
- Reduce the number of customers being served
- Screen customers for flu-like symptoms and a history of international travel. Do not allow them into your business if they screen positive.
- Practice Social Distancing (2 meters between people)
