LAND USE PLAN – COMMUNITY WORKBOOK REMINDER

A Land Use Plan Community Workbook has been mailed to the membership. This workbook is designed for you to express your needs, wants, visions, concerns, etc., on how to use and develop Pikwakanagan lands and natural resources.

What is Land Use Plan?

A document that will be used for decision making on how to use and develop the First Nation lands and natural resources.

Why Pikwakanagan needs a Land Use Plan?

- To use our limited land and resources in an effective manner
- To achieve a desired future
- To improve decision making through transparent processes

The membership's feedback will be the drive of the Land Use Plan and requires the membership approval through vote before coming into effect.

We are encouraging members from 14 years and up to complete the workbook and share your ideas and concerns.

The workbooks are to be returned by March 15th, 2021 to the administration office and there are three (3) draws of \$ 250.00 for the ones who provide feedback.

If you have not received one, please contact Cassandra Sackaney at 613-625-2800 / assistant.lem@pikwakanagan.ca

Public Health Alert

COVID-19 Variants of Concern

February 18, 2021

Dear Members of Pikwakanagan First Nation,

As you are aware, COVID-19 Variants of Concern (VOCs) are circulating within Ontario. We are writing to you today to provide updated information and public health recommendations regarding COVID-19 VOCs.

At least one of these variants, B.1.1.7 (the "UK variant") is thought to be 30-50% more transmissible than those already established in Canada and there is some evidence that it can cause more severe illness, resulting in more hospitalizations and deaths. This variant can spread very quickly from people who do not know they have it (asymptomatic people) and can cause a rapid increase in cases in a short period of time. In January 2021, an outbreak of B.1.1.7 in a Barrie, Ontario, long-term care facility saw almost every resident of the facility infected.

More recently, this variant was detected during the week of February 8, 2021 in St. John's, Newfoundland, resulting in a lockdown and closure of workplaces, schools, and non-essential businesses to control the spread of this variant.

Given this evolving situation, we are making the following recommendations:

- **DO NOT VISIT OTHER PEOPLE'S HOMES**
- Indoor capacity is up to 10 people and should attempt to maintain to your own household and close family.
- Outdoors is up to 25 people and recommended to wear face masks.
- Wash hands often and practice good hygiene
- Cover your cough or sneeze.
- **IF YOU HAVE ANY SYMPTOMS** self-isolate and get tested.
- Wear a well fitting 3-ply mask that covers your nose, mouth, and chin (or medical grade mask) and practice physical distancing of 2-metres when out of your home to get essential supplies, groceries, medications, etc.
- Sanitize commonly touched surfaces.

These public health measures will help limit the spread of infection to community members and allow time for thorough case and contact management, testing of persons at risk of having been exposed, and determination of the extent of possible spread in the community.

The ERCG will continue to monitor the COVID-19 Variants of Concern and are prepared to respond in the event of a case detected in Renfrew County or our Pikwakanagan community. This may include an immediate shutdown of the community if an outbreak occurs.

Please continue to follow public health measures. COVID-19 vaccine distribution is underway in Ontario; however, we must act now to prevent the spread of the virus and keep our communities safe.

Together We Can Do This.

Government Changes the School and Child Care Screening Tool

Effective immediately, guidelines for the COVID-19 School and Child Care Screening Tool have changed across the province in accordance with provincial guidelines. The Ontario Government is adopting a more rigorous and cautious approach to the provincial screening criteria. This update to the [School and Child Care Screening Tool](#) has been made in light of the emergence of COVID-19 variants.

The [COVID-19 School and Child Care Screening Tool](#) must be completed **daily** before attending school/childcare. Individuals completing the tool must follow the instructions given at the end of the assessment and arrange for COVID-19 testing as directed.

The following changes are outlined below.

Single-Symptom Screening - Staff, students and children with any new or worsening symptom(s) of COVID-19, **even those with only one symptom**, must stay home **without exemption**, until:

- They receive a negative COVID-19 test result;
- They receive an alternative diagnosis by a health care professional; or
- It has been 10 days since their symptoms started and they are feeling better.

Asymptomatic household members of symptomatic individuals must: Self isolate, do not leave home, even for essential reasons.

- All asymptomatic household contacts must also self-isolate **without exception, even for essential reasons**, until the symptomatic individual receives a negative COVID-19 test result or an alternative diagnosis by a health care professional.
- If the symptomatic individual does not seek COVID-19 testing, all household contacts must also self-isolate for 14 days from their last contact with that symptomatic individual.

Asymptomatic household members of asymptomatic individuals who are high-risk contacts: Stay at home, except for essential reasons.

- If an asymptomatic individual is directed to self-isolate as a high risk contact of a positive COVID-19 case, their asymptomatic household members should stay home for 14 days except for essential reasons. In this case, attending school, child care or work is allowable for the household contacts as an **essential activity**, as long as everyone in the household remains asymptomatic.

It is important that parents monitor a child's illness and keep them out of school or daycare if they are sick, as you would with any other illness such as the flu. If you or your child are sick, contact your Family Physician. If you do not have a Family Physician or cannot access your Family Physician, call Renfrew County Virtual Triage Assessment Centre (VTAC) at 1-844-727-6404 to schedule an appointment. If you feel that you or your child are seriously ill, call 911 or go to the nearest Emergency Department.

For more information, visit RCDHU's website at <https://www.rcdhu.com/novel-coronavirus-covid-19-2/> or call 613-735-8654 or 1-800-267-1097.

Parent Update: February 22, 2021

- COVID-19 symptom screening criteria and sibling/household isolation information have been updated. Details and the screening tool are available at covid-19.ontario.ca/school-screening
- You must screen for COVID-19 every day before going to school/child care

WHAT DO I DO IF I HAVE* ANY COVID-19 SYMPTOMS?

UPDATED - Guidance on
Testing and Isolation.
Effective - February 22, 2021

SYMPTOMATIC PERSON

HOUSEHOLD MEMBERS

1.
ANY person (adult or child) with **ANY COVID-19 symptoms** (even if it is just one symptom) must self-isolate **AND** get tested.

1.
Household members must also self-isolate but do not need testing if they do not have any symptoms.

2.
The person with symptoms can go back to school/work **when** they receive a **negative test result** **AND** their symptoms are improving **AND** they have **not had a fever** (without medication) for 24 hours.

2.
Household members can go back to school/work **when** the person with symptoms has received a **negative** result.

⚠️ The guidance on testing and isolation has changed due to the concern about **COVID-19 variants** that are **more transmissible AND spreading** in our communities.

⚠️ If the symptomatic individual **does not get tested** for COVID-19, then **all members of the household** must quarantine for **14 days** from their last contact with the symptomatic individual.

⚠️ A **doctor's note IS NOT required** for return to work/school, **once the above criteria have been met**.

5 Skating Clinics are coming your way....

There will be a skating clinic for all Pikwakanagan children in Kindergarten to Grade 8 beginning
Thursday, February 25, 2021 at the Eganville Arena.

The Skating Clinic will be supervised by Kerry, Natasha, and Coach Adam Bernard
from 4:30 to 5:30 p.m.

The Pikwakanagan Skating Clinic schedule is as follows:

Thursday, February 25—Eganville Arena 4:30-5:30 p.m.

Thursday, March 4th—Eganville Arena 4:30-5:30 p.m.

Thursday, March 11—Eganville Arena 4:30-5:30 p.m.

Thursday, March 18th—Eganville Arena 4:30-5:30 p.m.

Thursday, March 25th—Eganville Arena 4:30-5:30 p.m.

All children will be required to have skates and a helmet, if your child/children are interested in coming out to learn to skate or enhance basic hockey skills and don't have skates or a helmet please contact Kerry or Ryan at 613-625-2682, we may have skates and a helmet on hand to fit your child!

All children must wear a MASK inside the arena until they go onto the ice!

You can send a skating backpack containing their skates/helmet on skating clinic day with your child to school or you can drop off a skating backpack at the Makwa Centre by 2:30 p.m. on skating clinic day!

If your child attends E.D.P.S either Kerry or Natasha will meet the children outside the school to walk to the arena on skating clinic days at the end of their school day!

If your child attends St. James unfortunately parents will have to make arrangements to have their child dropped off at the rink by 4:20 p.m.!

Parents are more than welcome to pick up their child/children and bring them on your own as well!

IT IS THE PARENT'S RESPONSIBILITY to PICK UP YOUR CHILD BY 5:30 P.M.

at the Eganville Arena after the clinic is done! There will be NO rides offered to any children so please be prompt as they cannot sit inside to wait as the rink must be sanitized before the next booking!

REGISTRATION FORMS MUST BE COMPLETED FOR THIS NEW ROUND OF SKATING!

Please contact the Makwa Centre at 613-625-2682 to arrange a time to complete the registration form and sign the permission form.

Public Art Calls: Local Indigenous Artists

Indigenous Multi-Purpose Room / Childrens' Reading Room

Exterior Glass Frit and/or Interior Film Design

Selected artist and/or artist teams will consult with an Indigenous mentor, (to be selected), throughout the design development, fabrication and installation processes. A combination of options for installation within the multi-purpose room and/or childrens' reading room including artwork installed on the doors for the space and/or the exterior walls directly outside of the room, furniture design, pattern for ceiling fabric panels, stone mosaic pattern in the floor. Other options as presented by the artist will be considered.

Design options include a 2D visual art or craft as a repeating pattern to create an opaque design enhancement. Designs should identify the window surface for both exterior (bird-friendly), and interior spaces.

Public Art Calls: Local and National Indigenous Artists

Exterior Pillars

Permanent artwork placed on pillars located within the exterior of the facility. The art installation opportunities include: glass or tile mosaics, low relief sculpture, wood or metal engraving.

Exterior Sculpture Installation & Interior Pimisi Entrance

A permanent installation, sculpture and/or planting located within the exterior garden/pathway areas located on the north west plaza OR the second-floor terrace.

An opportunity for a 2D/low-relief artwork installation and/or video/film/animation projection to be located on a two-story high interior wall within the Pimisi entrance lobby.

Mentorship Call

The City of Ottawa Public Art Program is seeking an experienced and highly motivated Indigenous mentor to provide mentorship for a local artist(s) (TBC) for the OPL-LAC Joint Facility. The mentor will work collaboratively with the Indigenous Curator and Ottawa Public Art staff for a coordinated approach throughout the process. The mentor must bring a high level of conceptual ability and innovation to the mentorship process and be well versed in local Indigenous art practices and cultural protocols.

Direct Purchase – Inuit artists

Interior Sculpture

The City of Ottawa Public Art Program recognizes the Inuit art community residing in Ottawa, and invites Inuit emerging, mid-career and senior artists and/or their representatives to offer existing artworks for direct purchase. Artwork will be mounted on a free-standing base to be positioned within the main floor gathering space or other interior location as appropriate.

General information

- Specific sites and budgets are subject to change.
- Images, dimensions and materials of listed locations will be provided in the calls.
- All calls include Land Acknowledgement: Honouring First Nations, Inuit and Métis Nation peoples, specifically referring to Algonquin Anishinabeg community. Also included will be information about the City of Ottawa Public Art Program, and specific details about the facility.
- Call requirements include that applicants show sensitivity to the surrounding Algonquin community. We encourage applicants to tell a story and consult with the local Algonquin Anishnabeg communities to develop their proposals.
- Calls will include the option that other sites/opportunities proposed by the artist will be considered.
- The selection committees will include voting Algonquin Anishinabeg representation.
- As the Joint Facility will house Library and Archives Canada, it is important that there are call opportunities open to all Canadian Indigenous artists (local artists are also encouraged to apply to these calls).
