Marc Joseph Paquette

Nov 22, 1944-Mar 02, 2021

On behalf of the Paquette family, we would like to
express our heartfelt thanks to all of you who have
loving and caringly touched our lives. First and
foremost, Peggy Dick and staff at Tennisco Manor,
words cannot express our gratitude. Derek Frew; your
loving care, compassion and all the conversations and
stories you shared with Marc will always remain in
our hearts. To the Sarazin family (Maureen, Marlene,
Elaine, Joanne and spouses), thank you for all your
love and support. Christine Aubrey; you walked this
path with us from the very beginning, to the
sorrowful end You held us up when we no longer
thought we could. You have become apart of our
family as you became a very special friend to Marc.

What a beautiful community we live in

To all Thank you!

For Immediate Release

(Pembroke, Ontario, 9:30 a.m. February 22, 2020)

Government Changes the School and Child Care Screening Tool

Effective immediately, guidelines for the COVID-19 School and Child Care Screening Tool have changed across the province in accordance with provincial guidelines. The Ontario Government is adopting a more rigorous and cautious approach to the provincial screening criteria. This update to the [School and Child Care Screening Tool](#) has been made in light of the emergence of COVID-19 variants.

The [COVID-19 School and Child Care Screening Tool](#) must be completed **daily** before attending school/childcare. Individuals completing the tool must follow the instructions given at the end of the assessment and arrange for COVID-19 testing as directed.

The following changes are outlined below.

Single-Symptom Screening - Staff, students and children with any new or worsening symptom(s) of COVID-19, **even those with only one symptom**, must stay home **without exemption**, until:

- They receive a negative COVID-19 test result;
- They receive an alternative diagnosis by a health care professional; or
- It has been 10 days since their symptoms started and they are feeling better.

Asymptomatic household members of symptomatic individuals must: Self isolate, do not leave home, even for essential reasons.

- All asymptomatic household contacts must also self-isolate **without exception, even for essential reasons**, until the symptomatic individual receives a negative COVID-19 test result or an alternative diagnosis by a health care professional.
- If the symptomatic individual does not seek COVID-19 testing, all household contacts must also self-isolate for 14 days from their last contact with that symptomatic individual.

Asymptomatic household members of asymptomatic individuals who are high-risk contacts: Stay at home, except for essential reasons.

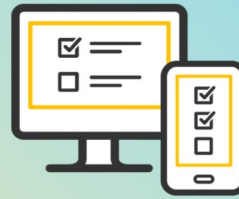

- If an asymptomatic individual is directed to self-isolate as a high risk contact of a positive COVID-19 case, their asymptomatic household members should stay home for 14 days except for essential reasons. In this case, attending school, child care or work is allowable for the household contacts as an **essential activity**, as long as everyone in the household remains asymptomatic.

It is important that parents monitor a child's illness and keep them out of school or daycare if they are sick, as you would with any other illness such as the flu. If you or your child are sick, contact your Family Physician. If you do not have a Family Physician or cannot access your Family Physician, call Renfrew County Virtual Triage Assessment Centre (VTAC) at 1-844-727-6404 to schedule an appointment. If you feel that you or your child are seriously ill, call 911 or go to the nearest Emergency Department.

For more information, visit RCDHU's website at <https://www.rcdhu.com/novel-coronavirus-covid-19-2/> or call 613-735-8654 or 1-800-267-1097.

Parent Update: February 22, 2021

- COVID-19 symptom screening criteria and sibling/household isolation information have been updated. Details and the screening tool are available at covid-19.ontario.ca/school-screening
- You must screen for COVID-19 every day before going to school/child care

WHAT DO I DO IF I HAVE* ANY COVID-19 SYMPTOMS?

UPDATED - Guidance on
Testing and Isolation.
Effective - February 22, 2021

SYMPTOMATIC PERSON

HOUSEHOLD MEMBERS

1.
ANY person (adult or child) with **ANY COVID-19 symptoms** (even if it is just one symptom) must self-isolate **AND** get tested.

1.
Household members must also self-isolate but do not need testing if they do not have any symptoms.

2.
The person with symptoms can go back to school/work **when** they receive a **negative test result** **AND** their symptoms are improving **AND** they have **not had a fever** (without medication) for 24 hours.

2.
Household members can go back to school/work **when** the person with symptoms has received a **negative** result.

⚠️ The guidance on testing and isolation has changed due to the concern about **COVID-19 variants** that are **more transmissible AND spreading** in our communities.

⚠️ If the symptomatic individual **does not get tested** for COVID-19, then **all members of the household** must quarantine for **14 days** from their last contact with the symptomatic individual.

⚠️ A **doctor's note IS NOT required** for return to work/school, **once the above criteria have been met**.

DIABETES AND SALT

Sodium is essential to life because our body cells and tissues need it for survival. However, we don't need that much and very often we can get too much salt in our system. Unfortunately, a person with diabetes may not be able to get rid of the excess salt as effectively as someone without diabetes. This can be due to the fact that diabetics will often have extra insulin in the blood which can reduce the kidneys abilities to get rid of the extra sodium. Extra sodium in our bodies can increase blood pressure. High blood pressure in turn can lead to a higher risk of heart attack and stroke. It can also damage our kidneys and eyes. Watching our salt intake and making sure its within normal guidelines is vital to our health. Health Canada recommends that most Canadians consume 1500 milligrams (mg) per day and not exceed 2300 mg per day, which is the equivalent of just over one teaspoon of salt. All types of salt are high in sodium: kosher salt, sea salt, gourmet salts all have about the same amount of sodium as table salt, they are not healthier choices.

How to decrease our salt intake, tips and tricks:

- When buying frozen vegetables, choose those with no added salt
- Rinse canned vegetables with water
- Cook your pasta/rice in unsalted water
- Switch to unsalted butter
- Replace mayonnaise, heavy cream, or sour cream with plain yogurt in your recipes
- Purchase unseasoned meats, poultry and fish
- Use the following spices to add flavouring to your foods instead of salt:
 - ✓ Basil - with tomatoes and pasta
 - ✓ Cumin - adds flavour to soup, stews, and sauces
 - ✓ Curry - with meat, poultry, soup, stews and dips
 - ✓ Dill - with fish, potatoes, and eggs
 - ✓ Oregano - in pasta, soup, and salads
 - ✓ Parsley- with seafood, vegetables, chicken, and eggs
 - ✓ Rosemary - with chicken, lamb, and pork
 - ✓ Thyme - with beef, chicken, rice or soup
- Get into the habit of checking food labels while grocery shopping. This will allow you to see the hidden sodium in the foods you purchase and make better selections when it comes to choosing the right foods for you.

For more guidance and assistance with your diabetic needs, please contact the Diabetic Care Navigator, Natalie at diabetic.navigators@pikwakanagan.ca

Omàmiwininì Pimàdjowin Collective Knowledge Sharing

Omàmiwininì Pimàdjowin is seeking to create a collective of people in our community that have traditional Algonquin Anishinabeg knowledge and gifts to share. What is a collective? It is a group of people that work together toward the same vision. Omàmiwininì Pimàdjowin's vision and mission is to preserve, revitalize, and restore Algonquin Anishinabeg knowledge, traditions, culture, practices and language in our community. To do this work, we need your support in identifying knowledge holders in our community that we can draw on for sharing this knowledge with one another, in the form of workshops, events, engagement service opportunities, etc. We would like to create a collective list of people in our community who have knowledge and gifts to share, and to support our community in ensuring this knowledge is carried forward for future generations.

If you have knowledge and gifts related to the topics below and founded on Anishinabeg knowledge systems, please complete this google form

(<https://forms.gle/Xj1A8W5imnfmUbw9>).

- Algonquin language speaker and/or teacher
- Drumming & Singing
- Dancing
- Medicines
- Archaeology
- Storytelling
- Ceremonies and Spirituality
- Teachings
- Traditional and contemporary arts and crafts
- Food Preparation
- Traditions such as trapping, hunting, fishing
- Land-based knowledge

Algonquins of Pikwakanagan First Nation

Comprehensive Community Plan

The Algonquins of Pikwakanagan First Nation is undertaking the development of a Comprehensive Community Plan (CCP), that will outline the needs and aspirations of our Nation for the next 10-20 years.

AOPFN has contracted a consulting firm that has worked closely with indigenous communities, Urban Systems Ltd., to support this work.

Objectives of the CCP:

- Establish community goals in priority areas, and outline actions needed to achieve them;
- Provide guidance for Chief and Council, Staff and Management, for decision making;
- Promote economic development;
- Reflect aspirations and needs of all members; and
- Aim for improvements and sustainability in all aspects of community life.

The CCP is a community-developed plan, and will succeed through collective input!

The community research team will be engaging with the AOPFN community through:

- **Starting March 15th:** A community-wide survey will be made available, online (here: <https://arcg.is/eTrre>) and hardcopy (sent by request, with return postage);
- **1-on-1 interviews** with on- and off-reserve community members starting the week of March 22nd;
- **Youth engagement** sessions later this month;
- **Virtual Community Presentations:** On Monday, March 22nd and Tuesday, March 23rd, live on Facebook. Members can tune in and watch the presentation and ask questions.
- **Virtual Open Houses:** On Monday March 29th and Tuesday March 30th, someone from the CCP project team will be available online to talk with you and answer your questions about AOPFN's CCP. Check back on the Facebook page and the AOPFN newsletter for more details in the coming days.

We are encouraging all community members, on/off reserve, youth, and elders, to participate in the CCP. To request a hardcopy of the survey, interest in participating in an interview, or any other information, contact Lucas Bramberger, the AOPFN Community Coordinator:

Email: coordinator.studies@pikwakanagan.ca

Phone: (613)-625-1551

Facebook Page: Algonquins of Pikwakanagan – Community Projects
(updates on AOPFN Facebook page, too!)

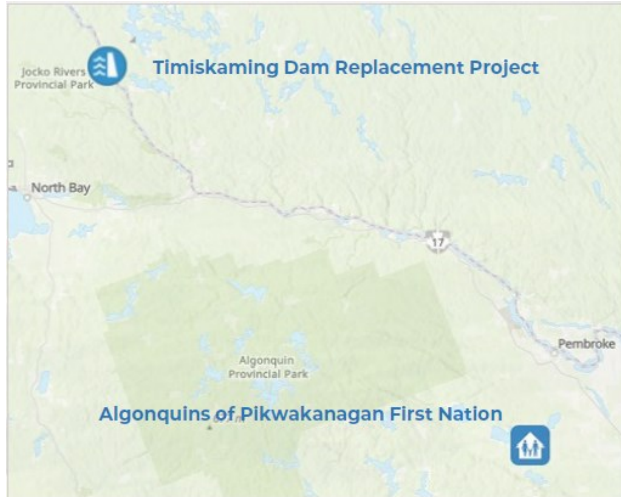

AOPFN will maintain strict standards of data confidentiality and will protect personal information. Participants will receive honoraria for their participation in interviews and can elect to be entered into a draw for one of three \$100 cash prizes for survey completion.

AOPFN Knowledge and Land Use Study

The Algonquins of Pikwakanagan First Nation (AOPFN) is undertaking a Knowledge and Land Use study in response to document member activities on the land and water near the Timiskaming Dam Replacement Project in AOPFN traditional territory.

We are seeking Knowledge Holders - If you, or someone you know has experience or knowledge of hunting, trapping, fishing, or practicing other traditional activities in the area North-West of Mattawa and South-East of Temagami, we would like to hear from you!

The information gathered in this study will help inform our consultations, be used to make recommendations about how the Project should proceed, and inform a study about the cumulative impact of development across your territory on AOPFN way of life.

AOPFN has contracted Urban Systems Ltd. to support this work, a consulting firm that has worked closely with indigenous communities to meet their unique environmental, economic, sociological and cultural objectives.

Knowledge Holder interviews are starting the week of March 9th, and throughout the month. If you would like to participate, please contact Lucas Bramberger, the AOPFN Community Coordinator:

Email: coordinator.studies@pikwakanagan.ca

Phone: (613)-625-1551

AOPFN will maintain strict standards of data confidentiality and will protect personal information. Participants will receive honorariums and/or gift certificates for your participation in interviews.

AOPFN Cumulative Effects Study

The Algonquins of Pikwakanagan First Nation (AOPFN) is undertaking a cumulative effects study in response to proposed projects in AOPFN traditional territory. AOPFN has contracted an Indigenous-owned consulting firm, The Firelight Group to support this work.

A Cumulative Effects Study? - In studying the combined effects of all of the impacts in an area on AOPFN's values (e.g., wildlife, plants, water, air quality), the research team will seek to:

Develop a report and a map showing which areas and values across our territory are most impacted, and are of greatest concern to our members;

Help guide monitoring and restoration across the territory; and Help ensure that future development projects take into account all of the impacts that have already occurred on the territory during the environmental assessment process.

Engagement with AOPFN community members:

A community-wide survey to gather input on how to focus this study will be available online alongside the CCP survey, March 15th at: <https://arcg.is/eTrre>. A hardcopy version with return postage can be sent by request.

Focus groups with Knowledge Holders and Elders to discuss how cumulative effects are impacting AOPFN's values in the territory.

For interest in participation, please contact Lucas Bramberger, the AOPFN Community Coordinator:

Email: coordinator.studies@pikwakanagan.ca

Phone: (613)-625-1551

AOPFN will maintain strict standards of data confidentiality and will protect personal information. Participants will receive honorariums and/or gift certificates for your participation in interviews.

LAND USE PLAN – COMMUNITY WORKBOOK

REMINDER

A Land Use Plan Community Workbook has been mailed to the membership. This workbook is designed for you to express your needs, wants, visions, concerns, etc., on how to use and develop Pikwakanagan lands and natural resources.

What is Land Use Plan?

A document that will be used for decision making on how to use and develop the First Nation lands and natural resources.

Why Pikwakanagan needs a Land Use Plan?

- To use our limited land and resources in an effective manner
- To achieve a desired future
- To improve decision making through transparent processes

The membership's feedback will be the drive of the Land Use Plan and requires the membership approval through vote before coming into effect.

We are encouraging members from 14 years and up to complete the workbook and share your ideas and concerns.

The workbooks are to be returned by March 15th, 2021 to the administration office and there are three (3) draws of \$ 250.00 for the ones who provide feedback.

If you have not received one, please contact Kassandra Sackaney at 613-625-2800 / assistant.lem@pikwakanagan.ca

**AOPFN EMPLOYMENT
OPPORTUNITIES**

Application Procedure: Interested persons must submit a resume demonstrating how the basic requirements are met and the names and day contact telephone numbers of your three (3) most recent direct supervisors. If direct supervisor references are not available, then references that know your work may be accepted. Indicate which competition you are applying for by referencing the Position Title.

Screening Procedure: Applicants will be screened on the following: 1.) Conflict of Interest - the applicant must not be a member of the Supervisor's immediate family; 2) Resume – the content will be reviewed to ensure the applicant meets the basic requirements.

Affirmative Action Criteria: Positions may be subject to AoPFN Policy supported by Section 16 of the Canadian Human Rights Act - Aboriginal Employment Preferences Policies.

Interviews: Due to Covid-19 all interviews will be conducted virtually by Zoom. AoPFN has the right to short list for interview/assessment purposes to the five (5) most qualified persons and typically establishes an eligibility list.
