Community and Status Update

The Ontario Government has announced that the province is shortening the break between the first and second COVID-19 vaccine doses as 65% of Ontarians ages 18 and over have now received their first dose. The timing of second dose appointments may vary based on local considerations, vaccine supply and the date of first dose appointments.

School Updates

Premier Doug Ford has announced that all school districts across the province will continue with remote learning for the rest of the school year. Students who are currently attending in school learning due to an accommodation may continue.

Global Update

The COVID19 Delta Variant has been confirmed in all health units in Ontario. This variant is known to be responsible for over 25% of cases in Ontario. We have learned this variant is more transmissible than the Alpha variant and the 2nd dose of the vaccine provides more protection than one dose does.

Province Updates

Ontario has expanded the eligibility for the COVID-19 vaccines in May. There will be millions of doses of Pfizer-Bio-NTech and Moderna, arriving in Ontario. They are expecting all adults to be able to register for their first doses of the vaccine by the end of May. 2nd Dose appointments are now being offered.

ALGONQUINS OF PIKWAKANAGAN FIRST NATION IS PLEASED TO ANNOUNCE A NEW CHI-NODIN LIMITED PARTNERSHIP

After more than a year of sharing mostly difficult news, the AOPFN Economic Development Department is extremely pleased to announce some good news and tell you that we have entered a partnership known as Chi-Nodin Limited Partnership. This partnership is a renewable energy production sector business creating electricity through wind farm technology.

To proudly invest in renewable clean technology makes good business sense to us as we know that the world is shifting away from fossil fuels and electricity will experience an increased demand. We are also anticipating that the Province will rely on sources such as Chi-Nodin to supply electricity to the grid as their electricity production sources transition in the coming years.

Beyond the environmental benefits, through this partnership we will begin to collect revenue regularly which may be assigned to reinvest in our future through any number of opportunities such as investing in education and training, funding priorities, or creating additional partnerships in the future.

We would like to acknowledge the efforts to complete this partnership from members of Chief and Council, Economic Development, EDP Renewables, and our external professional advisors at OKT Law.

Miigwetch to everyone involved!

**AOPFN EMPLOYMENT
OPPORTUNITIES**

Application Procedure: Interested persons must submit a resume demonstrating how the basic requirements are met and the names and day contact telephone numbers of your three (3) most recent direct supervisors. If direct supervisor references are not available, then references that know your work may be accepted. Indicate which competition you are applying for by referencing the Position Title.

Screening Procedure: Applicants will be screened on the following: 1.) Conflict of Interest - the applicant must not be a member of the Supervisor's immediate family; 2) Resume – the content will be reviewed to ensure the applicant meets the basic requirements.

Affirmative Action Criteria: Positions may be subject to AoPFN Policy supported by Section 16 of the Canadian Human Rights Act - Aboriginal Employment Preferences Policies.

Interviews: Due to Covid-19 all interviews will be conducted virtually by Zoom. AoPFN has the right to short list for interview/assessment purposes to the five (5) most qualified persons and typically establishes an eligibility list.
