New Cultural Centre and Museum on the Horizon

Spring 2021, Omàmiwinini Pimàdjowin packed up and relocated its staff and Gift Shop to the Retail Business Centre in Pikwàkanagàn on Kokomis Inamo. This decision came at the recommendation of the new Operations Manager, Naomi Sarazin, who started with the organization in the fall of 2020. Between 2020-2021, Omàmiwinini Pimàdjowin was impacted by COVID-19, like all other organizations across the world. Being forced to distant from working in the Cultural Centre and Museum during this time, allowed for our four-legged and winged relations to take up space. This has placed our people and treasures at risk, and so immediate action was needed. Naomi met with her team and the Board of Directors to determine a plan of action. Here are the action items that we have either completed or are in the process of completing:

Action #1: Relocate staff and Gift Shop (completed)

Action #2: Prepare artifacts and collections for storage (in-progress)

Action #3: Commence major capital building project planning (to begin this winter)

In October 2021, Elizabeth Hale, was hired as an independent consultant to take on the role of preparing our artifacts and collections for storage. Elizabeth brings a wealth of expertise to this role, as a current Professor in Algonquin College's Applied Museum Studies Program, former Manager of an Archive and Collections Project with Canada Games Council, and former Senior Exhibitions Manager at the National Gallery of Canada. She is supervising a team of four (4) Algonquin College Museum Studies Program students to support this important work of cataloguing, photographing, and packing our Manidò Chìman Collections. We would like to say a kichi-migwech (big thank you) to Elizabeth and her team: Danielle Valade, Clare Brebner, Madeleine Anderson, and Jessica Nagy.

Exhibit dismantle - Elizabeth Hale

Photography – Madeleine Anderson

Packing – Danielle Valade

Cataloguing – Clare Brebner

Elizabeth and her team will be working until mid-December to take down the Manidò Chìman exhibition displays, facilitate low temperature treatment of artifacts, verify catalogue information with current records, catalogue any artifacts without records, and pack all the artifacts for storage. Omàmiwinini Pimàdjowin is committed to working with the Algonquins of Pikwakanagan First Nation to find a safe and temporary home for the community's artifacts and collections, until such time that we have a new Cultural Centre and Museum.

Building a new Cultural Centre and Museum has been a community dream for more than 20 years. We are happy to share that realizing this dream is on the horizon. Omàmiwinini Pimàdjowin will be working alongside an architect to complete a Prefeasibility Study. In the next 6 months we will be carrying out community engagement sessions whereby we will be looking forward to community input into dreaming up the new home for our ancestral gifts and a place where we can gather to preserve, revitalize, and restore our Algonquin Anishinàbeg culture, traditions, practices, arts, and language.

If you are interested in participating in an upcoming community engagement session, please contact Naomi Sarazin at nsarazin@thealgonquinway.ca or phone 613-625-1958.

13 Moons Public Art Project - Call for Ideas and Images!

Tesasini (Flat Rock) Park, the new NCC waterfront park along the river in Gatineau at Zibi, is being developed for next summer. The Memengweshii Council in collaboration with the Zibi Project has chosen this site as a location to further explore interpretations the 13 Moons as seen on Turtle's shell. We are now looking to the Indigenous community for ideas and designs on this theme.

The selected image(s) will be used to develop artwork integrated into the site. Everyone, of all ages and skill levels, is welcome to participate!

The concept: 13 unique turtles creatively placed within the park, waiting to be found by the park visitors, offering a unique cultural educational opportunity for everyone. This could be metal turtle sculptures embedded into the sidewalk or railings, a turtle carved into large rock pieces, or perhaps a new idea!

We are now looking to you for ideas and participation on this project. Your idea submission could contain any of the following:

- A drawing of the form of a turtle. Could be hand drawn or digital.
- A written description of the shape or features that would be important.
- A written description for which interpretive information should be included.
- Anything else you would like us to know!

The first ten (10) submissions will receive a \$50 gift card to spend at Beandigen Café located at Lansdowne Park, which features not only great coffee, [but](#) also all sorts of Indigenous vendors.

The selected submission will win the grand prize of a \$250 Visa gift card. Ownership of the image or artwork will remain property of the artist and will have their name included in descriptive park signage. If interested, the artist is welcome to collaborate and learn how their drawing can be transformed into public art!

All requests for additional information, and final submittals should be sent to oneplanet@zibi.ca

All submissions are due by January 7, 2021.
