PUBLIC HEALTH ALERT

HOLIDAY GATHERINGS

Although some public health measures have been lifted, COVID-19 continues to spread rapidly throughout Ontario. Children under 5 may catch COVID-19 more easily because they cannot yet be vaccinated. You can help to protect yourself and those around you by continuing to do your part to reduce the spread during the spring holiday season.

The best defense against serious illness is to get vaccinated with two doses of a COVID-19 vaccine, and with one or more boosters as soon as you are eligible.

SOCIAL GATHERINGS

Keep indoor gatherings small to limit the spread of COVID-19. Wear a mask to prevent infection and to help protect your community.

HOLIDAY TRAVEL

Consider the risk of bringing COVID-19 back to your community. Research local restrictions and get vaccinated before travelling.

WAYS TO PROTECT YOURSELF AND OTHERS

- Get vaccinated against COVID-19. Even after being vaccinated, these tips can help to keep you and others safe.
- Wash your hands often.
- Wear a mask when with people who do not live with you, and especially in indoor crowded spaces.
- Cover your cough and sneeze.
- If possible, maintain physical distancing of 2 metres when outside your home.
- **Stay home if you have any symptoms of COVID-19 or have been in contact with someone who has tested positive.**

MENTAL WELLNESS RESOURCES

Feelings of stress are common during this time.

If you require mental health support, call:

- 911 or the local emergency help line
- The Canada Suicide Prevention Service (1-833-456-4566)
- @KidsHelpPhone (1-800-668-6868) or text (686868)
- The Hope for Wellness Help Line (1-855-242-3310) and <https://hopeforwellness.ca>
- If you are in a remote or isolated community, you may also contact your local nursing station.

TIP

Take advantage of the warmer weather to go out on the land and get some fresh air. Getting some exercise and going outdoors is great for maintaining our mental health.

ATTENTION PIKWAKANAGAN RESIDENTS!

HAUL-AWAY CURBSIDE GARBAGE COLLECTION BEGINNING APRIL 6, 2022

The Public Work Department working with the Ontario First Nations Technical Services Corporation (OFNTSC) have established a contract with Canada Waste Management (CWM) to have our household garbage hauled away to the Tomlinson Waste & Recovery Center at no cost to community residents and businesses.

Our current landfill is near its capacity and can no longer facilitate the needs of our community. We have no alternative location to establish a new landfill. Haulage is the solution until a proper transfer site can be constructed in the coming years. Dump will remain open Wednesdays and Sundays, regular hours.

We understand that this transition may take time and want to assist in any way we can to make this a smooth transition. **The landfill will have a designated bin for household waste to assist members who may miss the CWM pick-up.** Public Works and the landfill staff will assist in the collections, concerns, and any questions community members may have.

CHANGES: Beginning April 6, 2022, CWM will be collecting our curbside garbage. Public Work staff will continue to collect recycling as usual. We encourage all community members to have their household garbage roadside on **Wednesdays**. The Pikwakanagan truck will follow and assist CWM to ensure all pickup is collected on all roads and homes.

Please follow the below criteria to assist with the new haulage of the garbage:

PLEASE STILL RECYCLE

- Materials **MUST** be dry solid waste, preferably in bags or fully functioning and safe plastic/metal cans.
- Recyclable materials to be put at roadside on appropriate day.
- No large bulky items (mattress, couches, furniture, etc.). A bin will be identified at the current landfill for these items.
- **Garbage, can be put at the curb no earlier than 6 a.m. and no later than 8 a.m. on collection day (Wednesday)**
- **Recycling and Cardboard still falls on Thursday , Friday**
- Garbage carts, bins and/or nets must be removed from the curb by 8 p.m. on collection day.
- Waste cannot be placed at the curb so that it prevents snow cleaning.
- Hypodermic Needles - **Never place needles in the garbage.**
- Each bag must weigh less than 50 pounds.
- Sharp objects must be placed in a puncture proof container prior to placing in the garbage.
- Broken glass must be boxed, clearly marked and placed to prevent the glass from sticking out of the container.
- Do not place carts or bags behind or on snowbanks. Make sure your waste is clearly visible and accessible.
- Containers of liquid will not be collected.
- Ensure your waste container is clean.

Please Note: Beginning in April, the landfill will no longer be accepting construction waste. Contractors and homeowners will be required to rent a Dumpy's bin to have waste hauled from community.

The landfill will still accept tires, scrap metal, all recycling (paper & plastics), electronics, oil containers, clean lumber and brush, batteries, paint cans, ink cartridges, and hazardous waste in the designated areas.

Please place items in the correct identified areas located at the landfill. If items are too heavy for you carry or if you are unclear whether an item is accepted and where it goes, please do not hesitate to ask our attendant for assistance.

EARTH DAY 2022

Friday, April 22, 2022 is Earth Day....

Pikwakanagan is always proud to do our part to give Mother Earth a spring cleaning! Our ditches here in the community reveal much garbage and litter that sadly accumulates over the fall and winter months!

This year we invite you all to join us and

“Fill Your Bags”

Not just on April 22nd but over that entire weekend (April 22-24) we encourage you all to head out and fill your bags, help to clean our ditches and make Pikwakanagan clean and beautiful!

Share pictures with us on the AOPFN News & Events Facebook page of your efforts!

On Sunday, April 24th at 7:00 p.m. we will go LIVE from the AOPFN News & Events page to do a draw for “Fill Your Tank” or “Fill Your Belly” prizes. That’s right if you head out to fill your bags, you have a chance to either fill your tank or fill your belly, how awesome is that??

If your bags become too heavy while cleaning please leave them roadside and I will come along to retrieve them throughout the weekend and make sure they get to the dump! Please reach out to Kerry or Ryan before April 22nd if you will need garbage bags for the weekend, we are happy to supply them....let’s work together to clean our community!

On behalf of the Pikwakanagan Sports & Rec Department, thank you!

Spearing Season

Spearing season is upon us. Just a friendly reminder to keep safety and conservation in mind.

Additionally, Dale Benoit Zohr is interested in obtaining reproductive organs to help the population. If you are interested, please keep them separate and contact Dale to pick up at 613-625-2644.

Safe Spearing Everyone.

The Anishinabek Gamik Child and Family Services office would like to invite all AOPFN members to fill out a survey that will help inform the new Child Well-Being Law that is being created.

Hello!

My name is Sara Fortin, I am the new prevention service worker at Anishinabek Gamik Pikwakanagan Child & Family Services. Helping others is my passion in life. I have been working with youth and their families since 2014 and graduated from Algonquin College in 2017 with my diploma in Social Service Work. My experience includes program development and implementation, crisis counseling, public events, fundraising, and grant writing. I specialize in creating fun, educational and engaging programming for people of all ages.

In my spare time, I love making art of various kinds (including entomology/osteology, music, watercolor), reading, spending time outdoors, and snuggling with my two dogs- Delilah and Bandit.

Being new to the valley, I look forward to exploring this beautiful land and meeting new, lovely people in this community. I hope to see you around!

DIABETES AND OUR FEET

As we get into warmer months, we can trade in our clunky winter boots with more suitable spring weather shoes. Make sure your feet are enjoying the shoes they're walking in.

- Go shoe shopping at the end of the day when your feet are most swollen.
- Have your shoes professional fitted if you have loss of sensation in your feet (neuropathy).
- The retailer should measure your foot both in the seated and in the standing position.
- Check the length, width, and depth of your foot while standing.
- The widest part of the shoe should be where the ball of your foot rests.
- When the shoe is on, it should feel snug but not tight.
- Make sure there is room for your toes to wiggle.
- Find a shoe that is appropriately shaped for your foot. Some shoes are made more curved while others are straighter.
- Replace your shoes and insoles regularly.
- The best shoe is the one that fits your foot comfortably.

Features of a supportive shoe...

- Fits well
- Made out of breathable material
- Has a firm heel
- Has either shoelaces or Velcro
- Has good shock absorption
- Can't be twisted or bent
- Has no seams in the toe box

Taking care of our feet is so very important in diabetes care and maintenance. For more information on diabetic footcare please contact Natalie at dia-betic.navigator@pikwakanagan.ca or at 613-401-3679

OH DEER! KILLALOE OPP WARNS DRIVERS TO BE WATCHFUL

Minimize Your Chance Of A Wildlife Collision

(KILLALOE, ON) - The Killaloe Detachment of the Ontario Provincial Police (OPP) is urging all motorists to be cautious of wildlife after responding to 9 car/deer collisions over the past week.

If you spot a deer or other animal on the road ahead, stay in control, reduce your speed as much as possible and steer in a straight direction. Don't veer for deer. By changing your direction quickly, you increase the risk of losing control, running off the roadway, and rolling your vehicle. This increases the likelihood of sustaining greater damage to your vehicle and serious injury.

Some other helpful hints to ensure a safe journey are as follows:

- Scan the ditches and not just the road ahead of you. You may spot deer or other wildlife approaching the road, and be able to take precautions;
- Where you see one deer, expect more;
- Slow down. The slower you go, the more time you have to react should you encounter any wildlife on the roadway;
- Wildlife can move across roads at any time of the day or night;
- Watch for glowing eyes at night;
- Don't veer for animals. Reduce your speed quickly, steer straight, and stay in control;
- Don't be distracted behind the wheel; and,
- Ensure you are wearing your seatbelt. If you need to stop in a hurry, you want your body restrained to prevent unnecessary injury or possibly death.

Road safety is everyone's responsibility. Please, stay safe
