PIKWAKANAGAN UPDATE:

New Haul-Away Curbside Garbage Collection beginning April 6, 2022

Public Works with OFNTSC has established a contract with Canada Waste Management (CWM) to have household garbage hauled away to the Tomlinson Waste & Recovery Centre at no cost to you.

WHY? Our landfill is near capacity. This is the best solution until a transfer site is constructed.

WHEN? Beginning April 6, 2022, CWM will collect curbside garbage.

HOW? Curbside collection will happen on Wednesdays. The landfill will have a designated bin for those that miss CWM pick-up. Public Works and Landfill Staff will assist you with any questions.

The landfill will **no longer accept construction waste**. Will still accept tires, scrap metal, all recycling (paper & plastics), electronics, oil containers, brush, clean lumber, batteries, paint cans, ink cartridges, and hazardous waste **in the designated areas**.

KEY POINTS

- Only use the designated bin at the landfill site for household waste. Do not dump in landfill.
- Curbside household garbage collection by CWM remains Wednesdays.
- No changes to recycling.

NEED TO KNOW:

- Materials must be dry solid waste, in bags or safe plastic/metal cans.
- No large or bulky items. There is a bin at the landfill for this.
- **Garbage can be put at curb no earlier than 6 AM and no later than 8 AM on collection day (Wednesday).**
- Remove garbage carts/bins/nets by 8 PM on collection day.
- Do not block snow cleaning.
- NEVER place **hypodermic needles** in the garbage.
- Sharps must be in puncture proof container.
- Box up and clearly mark broken glass
- Ensure waste is visible.
- NO containers of liquid.
- Ensure waste container is clean.

PLEASE CONTINUE TO RECYCLE

EARTH DAY 2022

Friday, April 22, 2022 is Earth Day....

Pikwakanagan is always proud to do our part to give Mother Earth a spring cleaning! Our ditches here in the community reveal much garbage and litter that sadly accumulates over the fall and winter months!

This year we invite you all to join us and

“Fill Your Bags”

Not just on April 22nd but over that entire weekend (April 22-24) we encourage you all to head out and fill your bags, help to clean our ditches and make Pikwakanagan clean and beautiful!

Share pictures with us on the AOPFN News & Events Facebook page of your efforts!

On Sunday, April 24th at 7:00 p.m. we will go LIVE from the AOPFN News & Events page to do a draw for “Fill Your Tank” or “Fill Your Belly” prizes. That’s right if you head out to fill your bags, you have a chance to either fill your tank or fill your belly, how awesome is that??

If your bags become too heavy while cleaning please leave them roadside and I will come along to retrieve them throughout the weekend and make sure they get to the dump! Please reach out to Kerry or Ryan before April 22nd if you will need garbage bags for the weekend, we are happy to supply them....let’s work together to clean our community!

On behalf of the Pikwakanagan Sports & Rec Department, thank you!

This class is amazing and what makes it so fun is to see friends and family that I don't get to see very often. The root to understanding our culture and way of life lies in our language. It helps me to feel connected to my people and my community and we are all learning together."

DIABETES AND OUR FEET

As we get into warmer months, we can trade in our clunky winter boots with more suitable spring weather shoes. Make sure your feet are enjoying the shoes they're walking in.

- Go shoe shopping at the end of the day when your feet are most swollen.
- Have your shoes professional fitted if you have loss of sensation in your feet (neuropathy).
- The retailer should measure your foot both in the seated and in the standing position.
- Check the length, width, and depth of your foot while standing.
- The widest part of the shoe should be where the ball of your foot rests.
- When the shoe is on, it should feel snug but not tight.
- Make sure there is room for your toes to wiggle.
- Find a shoe that is appropriately shaped for your foot. Some shoes are made more curved while others are straighter.
- Replace your shoes and insoles regularly.
- The best shoe is the one that fits your foot comfortably.

Features of a supportive shoe...

- Fits well
- Made out of breathable material
- Has a firm heel
- Has either shoelaces or Velcro
- Has good shock absorption
- Can't be twisted or bent
- Has no seams in the toe box

Taking care of our feet is so very important in diabetes care and maintenance. For more information on diabetic footcare please contact Natalie at dia-betic.navigator@pikwakanagan.ca or at 613-401-3679

OH DEER! KILLALOE OPP WARNS DRIVERS TO BE WATCHFUL

Minimize Your Chance Of A Wildlife Collision

(KILLALOE, ON) - The Killaloe Detachment of the Ontario Provincial Police (OPP) is urging all motorists to be cautious of wildlife after responding to 9 car/deer collisions over the past week.

If you spot a deer or other animal on the road ahead, stay in control, reduce your speed as much as possible and steer in a straight direction. Don't veer for deer. By changing your direction quickly, you increase the risk of losing control, running off the roadway, and rolling your vehicle. This increases the likelihood of sustaining greater damage to your vehicle and serious injury.

Some other helpful hints to ensure a safe journey are as follows:

- Scan the ditches and not just the road ahead of you. You may spot deer or other wildlife approaching the road, and be able to take precautions;
- Where you see one deer, expect more;
- Slow down. The slower you go, the more time you have to react should you encounter any wildlife on the roadway;
- Wildlife can move across roads at any time of the day or night;
- Watch for glowing eyes at night;
- Don't veer for animals. Reduce your speed quickly, steer straight, and stay in control;
- Don't be distracted behind the wheel; and,
- Ensure you are wearing your seatbelt. If you need to stop in a hurry, you want your body restrained to prevent unnecessary injury or possibly death.

Road safety is everyone's responsibility. Please, stay safe
