# Algonquins of Pikwakangan Water Testing

**July 11 – September 30**

Health Centre's Water Tester Sandra Kutschke-Gagnon will be in the community collecting water samples **Monday to Thursday from 9:00AM to 1:30PM**

YOU CAN:

Schedule an appointment – call 613-625-2259

Wait your turn for a drop-in visit from the water tester

Complete the water sample yourself – bottle pick up located at the Health Centre

All COVID protocols will be followed when entering a clients home.

The Importance of why we test well water:

Your well water can affect the health of everyone who consumes it. Health Services test for the indicators of bacterial contamination:

**Coliforms:** These bacteria are often found in animal waste, sewage, as well as soil and vegetation. If they are in your drinking water, surface water may be entering your well from a nearby source

**E.Coli:** If they are in your drinking water, it usually means that animal or human waste is entering your well from a nearby source

# Black Bear Sightings at Algonquins of Pikwakanagan

Bears usually avoid humans, but they will be attracted to your neighbourhood by strong food aromas, the scent of garbage, cooking smells, ripe fruits and pet food left outside. If bears learn that they can find food where people live, they will often return many times as long as the food source is available. They will even try to enter buildings.

***The best way to prevent conflict with bears is to avoid attracting bears to the neighbourhood by eliminating attractants.***

To avoid bear encounters, please consider the following tips:

## **Garbage:**

- put garbage out only on the morning of garbage day, not the night before
- put meat scraps in the freezer until garbage day
- put garbage in containers that have tight-fitting lids and store it in a bear-proof location such as your basement or a sturdy garage
- frequently wash garbage cans and recycle containers and lids with a strong-smelling disinfectant, such as bleach

## **Barbecue:**

- burn off food residue and wash the grill right away
- empty the grease trap every time you barbecue
- remove all utensils, dishes and food after eating
- be aware that cooking odours can attract bears

## **Pet food:**

- do not leave pet food outdoors, in screened-in areas or porches

Bears returning repeatedly to a food source can lead to a more dangerous human-bear conflict and result in the potential dispatch (killing) of the bear. The Ontario Ministry of Northern Development, Mines, Natural Resources and Forestry (OMNDMNR) is responsible for managing nuisance Black Bears and may be mobilized for such purpose if a situation arises.

The Ontario Ministry would like to conduct an assessment of individual households on waste storage and potential bear attractants before a field unit is mobilized.

Would community members allow permission and consent for such an assessment of their household? *Please respond by Monday June 27, 2022.*

Kindly forward comments and feedback to: James Kushny, Manager, Natural Resources Department, Algonquins of Pikwakanagan First Nation (613) 625-2800 ext.253, mgr.naturalresources@pikwakanagan.ca

# HOT HEAT = COOL TREATS

With the summer heat slowly coming upon us, how about a recipe for a nice (healthy!) cool treat that the whole family will enjoy!

## **STRAWBERRY, WATERMELON AND VANILLA POPSICLES**

### Ingredients:

- 1 cup watermelon, cut in cubes
- 2 cups strawberries, hulled
- 1 tbsp maple syrup
- 1 cup vanilla Greek yogurt

### Directions:

- Blend the strawberries, watermelon and maple syrup into a puree. If you want a few chunks in your popsicle, just roughly blitz it instead of pureeing.
- Fill your popsicle molds by alternating between the fruit puree and the yogurt.
- Slide a wooden popsicle stick into the centre of each mold and freeze for 2+ hours.

This recipe can be found at: <https://www.halfyourplate.ca/strawberry-watermelon-and-vanilla-popsicles/>

# Canadian Nuclear Laboratories Summer Science Week

Canadian Nuclear Laboratories (CNL) is pleased to partner with the Town of Petawawa on a "summer science week". The five-day program (July 11-15) is open to children ages 9 - 12 and will provide participants with a fun introduction to a wide range of scientific projects and disciplines. This is a rare opportunity to visit Canada's national nuclear laboratories, and will showcase projects in environmental science, health science, engineering, physics, computing and much more. Each day will be a blend of hands-on activities and engaging presentations and talks supplemented with time in the forest, fields, wetlands, and the many unique laboratories at the Chalk River campus.

The cost is \$100 with return transportation from the Petawawa Civic Centre.

<p><i>We are committed to achieving employment equity and developing a highly capable workforce that is representative of Canadian Society. We therefore encourage women, Indigenous peoples, persons with disabilities, and members of visible minority groups to apply and declare themselves as part of one or more of the above mentioned Employment Equity Designated Groups. AOPFN is also committed to developing inclusive, barrier-free selection processes and work environments. If contacted in relation to a job opportunity or testing, you should advise the recruitment representative in a timely fashion of the accommodation measures which must be taken to enable you to be assessed in a fair and equitable manner. Information received relating to accommodation measures will be addressed confidentially.</i></p>

**AOPFN EMPLOYMENT  
OPPORTUNITIES**

**Application Procedure:** Interested persons must submit a resume demonstrating how the basic requirements are met and the names and day contact telephone numbers of your three (3) most recent direct supervisors. If direct supervisor references are not available, then references that know your work may be accepted. Indicate which competition you are applying for by referencing the Position Title.

**Screening Procedure:** Applicants will be screened on the following: 1.) Conflict of Interest - the applicant must not be a member of the Supervisor's immediate family; 2) Resume – the content will be reviewed to ensure the applicant meets the basic requirements.

**Affirmative Action Criteria:** Positions may be subject to AOPFN Policy supported by Section 16 of the Canadian Human Rights Act - Aboriginal Employment Preferences Policies.

**Interviews:** Due to Covid-19 all interviews will be conducted virtually by Zoom. AOPFN has the right to short list for interview/assessment purposes to the five (5) most qualified persons and typically establishes an eligibility list.
