Canada's new approach to Indigenous tax policy

From: [Crown-Indigenous Relations and Northern Affairs Canada](#)

Statement

Ottawa, Ontario (July 22, 2022) — The Minister of Crown-Indigenous Relations, Marc Miller, issued the following statement today:

"Today, as a result of extensive engagement with Indigenous partners, and after carefully considering and assessing its existing federal tax policy approach, Canada will change its approach to the phasing out of section 87 of the *Indian Act* as a requirement in Canada's Modern Treaties.

Since becoming minister, I have heard very clearly from across the country that the discontinuance of section 87 of the *Indian Act* and the removal of the federal tax exemption on First Nations' reserve lands is a significant disincentive to advancing self-government, a divisive issue within communities that have recently signed Modern Treaty arrangements, and a material barrier to entering into Modern Treaties.

The tax exemption will be available for continuation on Indigenous governments' former reserves and on other First Nations reserves in Canada for prospective and existing Modern Treaty beneficiaries who are registered pursuant to the *Indian Act*.

Tax exemptions for First Nations property situated on reserves have existed since before Confederation to protect reserve property. These changes bring an end to the era of First Nations community members having to trade their exemption from non-Indigenous government taxation in order to advance self-determination.

Indigenous governments will continue to have the choice to maintain existing tax arrangements or take up direct tax powers on their own timeline, consistent with the commitment to advance the priority of Indigenous communities to reclaim jurisdiction over tax matters and be consistent with the principle of self-determination.

This new policy will also apply to scenarios where lands that were formerly First Nations reserves cease to be "reserve land," as part of reconciliation agreements (e.g., Recognition of Indigenous Rights and Self-Determination agreements). Together, these changes help remove obstacles for communities choosing to pursue self-determination, tax policy and control over their lands, in their way out from under the *Indian Act*.

We know more work is needed, and we will work closely with interested communities to implement this change in prospective draft agreements and modify existing Modern Treaties. In the coming weeks, the government will contact prospective and existing Modern Treaty groups to begin working with interested parties on implementing this new approach. The government has also begun collaborating with provincial and territorial counterparts to support their analysis on the provincial/territorial approach to addressing the section 87 tax exemption in trilateral agreements."

Quick facts

During the latest round of engagement with Indigenous partners, which concluded in November 2021, First Nations feedback coalesced around two main points: Modern Treaty beneficiaries who are registered pursuant to the *Indian Act* should not have to exchange a tax exemption for their Modern Treaty rights; and Indigenous governments should not be compelled to exercise their tax jurisdiction on an arbitrary timeline.

Youth Kickboxing

with Darian McTavish, MMA Fighter,
Coach and Mentor!

The Pikwakanagan Sports & Recreation Department is excited to have Darian McTavish join us for an 8 week Youth Kickboxing program. Darian is a young man with experience as an MMA fighter, and he recently received his coaching certification and is eager to start teaching youth the disciplined sport of MMA and Kickboxing! The youth will learn kickboxing from Darian as it is kickboxing that is the foundational art for Mixed Martial Arts (MMA).

This 8 week program will have 8 spots available for Pikwakanagan youth ages 12-18 years. It is very crucial that parents talk to their youth who may be interested as Kickboxing requires a great deal of maturity, consistency, commitment, dedication and RESPECT! We are absolutely adamant that all of these requirements are met and adhered to, if your schedules with other sports conflict with this program then please do not put your name forward if you cannot dedicate each week to this program!

The following schedule outlines the days and times required for the Youth Kickboxing program:

Wednesdays Group 1 (4 youth) - 6:00-7:00 p.m.

Group 2 (4 youth) - 7:00-8:00 p.m.

Fridays Group 1 (Same 4 youth from Wednesday) - 6:00-7:00 p.m.

Group 2 (Same 4 youth from Wednesday) - 7:00-8:00 p.m.

Again this is an 8 week commitment so we ask parents to seriously consider the commitment and dedication required for this program.

This program will commence on **Wednesday, October 26th**, a full schedule will be given to the youth who commit to the program!

If you have a youth between the ages of 12-18 years and you feel they would do very well in this program we ask you to submit their name to the Pikwakanagan Sports & Recreation Department by calling 613-625-2682.

All Parents of youth selected for this 8 week program will be contacted directly to discuss the program in further detail and to complete the registration form. Please note that if not selected for this 8 week session we are looking at hosting another 8 week session mid January!

We appreciate parent understanding and look forward to this program for our Youth....

OPP INVESTIGATE SEVERAL COLLISIONS INVOLVING ANIMALS

Minimize Your Chance Of A Collision

(KILLALOE, ON) - The Killaloe Detachment of the Ontario Provincial Police (OPP) is urging all motorists to be cautious of animals after responding to seven collisions involving animals over the past week.

On September 20, 2022, collisions involving a deer in Madawaska Valley Township and a bear collision in North Algona Wilberforce Township were reported to police. There were no injuries to drivers.

On September 23, 2022, two collisions with deer were reported in Madawaska Valley Township, and a third collision involving a deer was reported in Brudenell, Lyndoch and Raglan Township. Later that afternoon, a collision involving a moose was reported in Algonquin Provincial Park. No injuries were reported.

On September 24, 2022, A collision involving a dog was reported in Bonnechere Valley Township. There were no injuries to drivers.

If you spot an animal on the road ahead, stay in control, reduce your speed as much as possible and steer in a straight direction.

Avoid changing your direction quickly as this increases the risk of losing control, running off the roadway, and rolling your vehicle.

This also increases the likelihood of sustaining greater damage to your vehicle and serious injury.

Some other helpful hints to ensure a safe journey are as follows:

- Scan the ditches and not just the road ahead of you. You may spot deer or other wildlife approaching the road, and be able to take precautions;
- Where you see one deer, expect more;
- Slow down. The slower you go, the more time you have to react should you encounter any wildlife on the roadway;
- Wildlife can move across roads at any time of the day or night;
- Watch for glowing eyes at night;
- Don't veer for animals. Reduce your speed quickly, steer straight, and stay in control;
- Don't be distracted behind the wheel; and,
- Ensure you are wearing your seatbelt. If you need to stop in a hurry, you want your body restrained to prevent unnecessary injury or possibly death.
