Update on the Algonquin Tribunal

It is well recognized that the beneficiaries of the proposed treaty with the Governments of Canada and Ontario must be aboriginal rights bearing Algonquins.

To that end, the Algonquin Tribunal is conducting inquiries to determine whether certain historic persons listed on the Schedule of Algonquin Ancestors meet the definition of “Algonquin Ancestor” as set out in the Enrolment Criteria.

The historic persons who are the subjects of the Tribunal’s inquiries are:

Angelique Atkinson	Hannah Mannell
Frederick Ferris and Walter Ferris	Michel Mcdonald
Sophie Carriere dit Jammes	Anna Mcdonald-Mcdonnell
<u>Jacques Kamiskwabininch</u>	<u>Cecile McDonnell-Mawiskak</u>
Francois Kawitadijik	Louis Michiminanawkwe
Thomas St-Jean dit Laguarde	Joseph Paquette
Toussaint Laronde	Mary Petrin

Member of the Algonquins of Pikwakanagan First Nation are invited to participate in the inquiry process.

The Enrolment Officer will be providing a report regarding each of the subject ancestors. This report will set out the available historic documentation that is presently available to the Enrolment Officer. This report will be made available on the Tribunal’s website: <https://www.tanakiwin.com/tribunal/>. Some reports are already posted to the website and additional reports will be added in the coming weeks.

You are encouraged to review these reports.

You may also file submissions: a) commenting on the Enrolment Officer’s report; b) providing additional documentation that is not already included in the Enrolment Officer’s report; and c) articulating your views on whether the subject ancestor is, or is not, an “Algonquin Ancestor.” You may also participate by attending the Tribunal’s hearings.

The Tribunal is to make decisions based on the available relevant evidence.

More information about how you can participate in these inquiries (including the Enrolment Officer’s reports, guidance on how to file materials and the schedule for filing submissions/evidence and the date/location of hearings) is presently posted on the Tribunal’s website (<https://www.tanakiwin.com/tribunal/>) or will be posted once it becomes available.

At the conclusion of each inquiry, the Tribunal will decide whether the evidence demonstrates that the subject ancestor is identified in a historic record or document dated on or before December 31, 1921, in such a way that it would be reasonable to conclude that the person was considered to be an Algonquin or Nipissing, or a sibling of such a person. The Tribunal will be issuing reasons explaining its decision in each of the inquiries.

Breast Cancer Awareness Month

6 WAYS TO REDUCE YOUR RISK OF BREAST CANCER

- 1 SELF CHECK**
Know how your breast look and feel. Be alert of any changes.
- 2 KNOW YOUR FAMILY HISTORY**
5 to 10% of breast cancer is hereditary. Keep in mind that your father's genes count as much as your mother's.
- 3 GET SCREENED**
It is recommended to have a mammogram (if you don't have family history) starting at age 45. Always speak with your doctor to know what's best for you.
- 4 EAT HEALTHY**
A diet rich in fruits, veggies, legumes and oily fish reduces risk of breast cancer. Limit your alcohol intake to one drink per day.
- 5 GET MOVING**
Just 30 to 60 min of exercise a day is associated with a reduction of breast cancer risk.
- 6 BREASTFEED**
Moms who breastfeed for the first 6-months have a 10% reduced risk of breast cancer.

Algonquins of Pikwàkanagàn Socio-Economic and Wellbeing Baseline call for participation

Attention Algonquins of Pikwàkanagàn First Nation community members! The Economic Development Department is developing a Socio-economic and wellbeing baseline for AOPFN and need your input.

What is a Socio-economic and wellbeing baseline?

This study will build a better understanding of the current socio-economic, health and wellbeing conditions of AOPFN members living in traditional Algonquin territory . It seeks to develop a more accurate representation of the population for indicators that are meaningful to AOPFN, and identify priority areas for development.

This study will also support AOPFN's participation in impact assessments, including identifying potential impacts, benefits, and mitigations related to proposed projects in unceded Algonquin traditional territory.

How can I help?

AOPFN are looking to collect input in two ways, a survey and focus groups.

The survey is available from October 27th to November 31st , 2022. It will cover a wide range of questions, and takes approximately 30-40 minutes to complete. Those that participate in the survey may enter a draw for one of five \$200 cash prizes.

You can access the survey online by following this link (<https://www.surveymonkey.com/r/PNCLTZS>) or by QR code. To use a QR code, open the camera on your compatible Android or iOS mobile or tablet, and focus on the QR code. When you do, a link should pop-up. Click on it, and it should take you straight to the survey.

You may also request a hardcopy of the survey or that a community researcher go through the survey over the phone with you by contacting the Project Lead, Dave Assinewai.

Focus groups will be occurring over in the coming months, and we are looking to have in-depth discussions on housing, education, employment, culture, health, and community. Specifically, we are looking for elders, youth (aged 18 to 30), women and AOPFN members living outside of Pikwàkanagàn to participate. If you would be interested to participate, please contact the Project Lead, Dave Assinewai. Honoraria will be provided to all those who participate.

For more information about either of these opportunities to participate, please contact:

Food Security Changes (Foodbank)

Please note that the food security will be changing the upcoming months.

The reason for change is that the funding for the food security came from COVID-19 state of emergency funds. As we are no longer in a state of emergency these funds are no longer available. The food security will now change to essential items and will be smaller amounts than previously given. We are working towards alternative options moving forward. However, for the time being we will be utilizing the remainder of the funds over the coming months.
