THE CONSULTATION DEPARTMENT WANTS YOUR INPUT! NOW IS THE TIME TO HAVE YOUR VOICE HEARD!

UNDRIP

The Government of Canada is in the process of engaging First Nations on a federal Action Plan that will guide implementation of the new Canadian legislation, the (UNDRIP) United Nations Declaration on the Rights of Indigenous Peoples (2021).

The Consultation Department will conduct a technical review of existing UNDRIP documents. We will also conduct community engagement through interviews, surveys, and/or focus groups. This review will help develop AOPFN's policy and interests on UNDRIP and will subsequently guide its submissions to the Department of Justice during the proposed consultation period which ends in June 2023.

Light lunch and refreshments will be provided to all who attend in person. If you can't make it to the Elders Lodge but would like to attend, join in using our zoom meeting ID below!

Platform Process

The Platform process will be on Saturday February 11, 2023 at the Makwa Centre, 83A Kagagimin Inamo, Pikwakanagan, ON K0J 1X0 beginning at 1:00 pm o'clock local time.

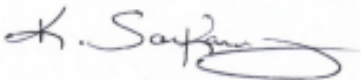

The platform process means that each nominee who will be running for office will be invited to deliver a speech on important issues that affect the community or indicate to the members what their plans are should they be elected to the position of Chief or Councillor. Each nominee will be allowed time to answer questions directed to them by the Voters.

Questions must be related to the business at hand and not personal matters between the nominee and yourself. Only eligible voters can address the nominee on platform.

Furthermore, the Custom Election Code and Custom Election Rules of Notice and Procedures is available on our website at <https://www.algonquinsofpikwakanagan.com/laws-and-by-laws/> or you can request hard copy from the Lands, Estates and Membership department 613-625-2800 mgr.lem@pikwakanagan.ca / land.officer@pikwakanagan.ca

Survey's

Algonquins of Pikwàkanagàn Socio-Economic and Wellbeing Baseline call for participation

Attention Algonquins of Pikwàkanagàn First Nation community members (Band Members living within or outside the First Nation, and non-Band Members living within the First Nation) The Economic Development Department is developing a Socio-economic and wellbeing baseline for AOPFN and need your input.

What is a Socio-economic and wellbeing baseline?

This study will build a better understanding of the current socio-economic, health and wellbeing conditions of AOPFN members living in unceded Algonquin traditional territory. It seeks to develop a more accurate representation of the population for indicators that are meaningful to AOPFN, and identify priority areas for development.

This study will also support AOPFN's participation in impact assessments, including identifying potential impacts, benefits, and mitigations related to proposed projects in unceded Algonquin traditional territory

How can I help?

AOPFN are looking to collect input in two ways, a survey and focus groups.

The survey is available from October 17th, 2022 – February 3rd, 2023. It will cover a wide range of questions, and takes approximately 30-40 minutes to complete. Those that participate in the survey may enter a draw for one of five, \$300 cash prizes.

You can access the survey online by following this link (<https://www.surveymonkey.com/r/PNCLTZS>) or by QR code. To use a QR code, open the camera on your compatible Android or iOS mobile or tablet, and focus on the QR code. When you do, a link should pop-up. Click on it, and it should take you straight to the survey.

You may also request a hardcopy of the survey or that a community researcher go through the survey over the phone with you by contacting the Project Lead, Dave Assinewai.

For more information about either of these opportunities to participate, please contact:

Dave Assinewai, Project Lead – AOPFN Economic Development Department
ecdev.projects@pikwakanagan.ca

Disclaimer

This project is being funded through the Impact Assessment Agency of Canada's Indigenous Capacity Support Program. The Firelight Group, an Indigenous-owned research firm has been contracted, through a competitive process, to support AOPFN in completing the work.

The Asnishabek Gamik Child and Family Services office would like to invite all AOPFN members to fill out a survey that will help inform the new Child Well-Being Law that is being created. Your feed back is greatly appreciated!

**Masks
STRONGLY
RECOMMENDED
Indoors**

There is a larger than normal amount of children getting sick from respiratory illnesses (COVID, flu, RSV). This strong recommendation was made to prevent children from getting sick and to preserve beds in children's hospitals. As well, a shortage of pediatric medication makes it difficult for parents to treat children at home which makes emergency room wait times long.

The Ministry of Health and AoPFN Health Services strongly recommends everyone masks in indoor public settings, especially in school and childcare settings.

COVID and flu vaccines are available for all those over 6 months old. Contact CHN if interested: 613-625-2259

TORONTO Public Health

COVID-19 & Respiratory Viruses Screening Tool Next Steps

If you answered “YES” to any of the questions on page 1, follow the below instructions:

Stay Home & Self-Isolate if You are Sick:

Stay home until you have no fever and your symptoms are improving for at least 24 hours (or 48 hours if nausea/vomiting/diarrhea).

Anyone who is feeling sick or has any new or worsening symptoms of illness, including those not listed in this screening tool, should stay home until their symptoms are improving and seek assessment from their health care provider if needed.

Follow Extra Measures:

For 10 days after the start of symptoms **OR** a positive COVID-19 test (whichever came first) **OR** for 10 days after your last close contact with a person who has symptoms or a positive COVID-19 test:

- Wear a well-fitted mask in all public settings (including schools/child care, unless <2 years of age);

- Avoid non-essential activities where you need to take off your mask (e.g., dining out, playing a wind instrument, high contact sports where masks cannot be safely worn), with reasonable exceptions such as when eating in a shared space at work while maintaining as much distancing as possible;

- Do not visit people or settings (e.g. hospitals, long-term care homes) at higher risk, including where there are seniors or those who are immunocompromised.

Follow this advice even if you test negative for COVID-19 or you did not do a test.

These measures are an added layer of prevention against the spread of COVID-19 and respiratory viruses.

Follow Additional Guidance if Immunocompromised **OR** Living in a Highest-Risk Congregate Care Setting:

If residing in a highest-risk setting **OR** immunocompromised **OR** hospitalized for COVID-19 related illness, your isolation requirements may differ. See [Table 1 of the provincial guidelines](#) for additional guidance.

Follow Additional Guidance as Instructed:

If you have been told that you should be quarantining, isolating, staying at home, or not attending school or child care right now (e.g., by a doctor, federal border agent, public health):

- Follow the guidance or directions that have been provided to you.
- If you travelled outside of Canada in the last 14 days, follow federal [requirements](#) for quarantine and testing after returning from international travel.

Get Tested and Treated if Eligible:

- COVID-19 testing and treatments are available to certain groups. See [here](#) for more information.

This tool is consistent with provincial guidance: [Management of Cases & Contacts of COVID-19 in Ontario \(gov.on.ca\)](#)

Winter Fire Safety

Advisory from Algonquins of Pikwakanagan - Fire & Rescue

CHRIS SARAZIN - FIRE & RESCUE CHIEF

Winter Fire Safety... Continued

WINTER FIRE SAFETY

CHECK ON YOUR ELDERS & NEIGHBOURS

The cold winter months can be isolating and pose a greater risk of illness and injury for many people, especially our Elders. But there are many things we can do to help our Elders, neighbours, and relatives stay healthy, connected, and safe!

VISIT AND LEND A HAND

Simply spend time. Enjoying the company of Elders and neighbours doesn't take much effort. Just being present, chatting over a cup of tea and listening to what's on their mind means a lot. If weather permits, dress warmly and enjoy a walk or outing outside together.

Clear steps and walkways. Slips and falls in icy, snowy conditions can happen easily. Help Elders and neighbours exit and enter their homes safely by shoveling snow and removing ice from their driveways, walkways, and stairs.

Clean and tidy. Kitchen fire safety starts with a clean kitchen. Help Elders and neighbours by wiping down cooking surfaces to prevent food and grease build-up. Make sure combustible materials such as paper towels, potholders, dish towels, and plastics, are away from the stove and other hot cooking surfaces where they could catch fire.

Shop and transport. Winter weather can make it difficult for elders to get out to buy food, medicine, and other supplies. Offer to include their shopping with your own and provide transportation to and from appointments.

PREPARE FOR FIRE SAFETY

Communication is key. Talk about home fire-safe practices with your Elders and neighbours to help them prepare for the winter months. Emphasize the importance of turning off all cooking and heating appliances before leaving the home or going to bed.

Heat the home safely. Make sure all heat sources are fire safe and working properly. Check space

heaters to ensure that cords and plugs are in good working order and that they are placed at least 3 feet from things that can burn. Always unplug heaters before leaving the home or going to bed.

Prevent burns. Cooking-related scalds and burns can be very painful. Provide a reminder to stay in the kitchen when cooking, turn pot handles away from the edge of the stove, wear short or tight-fitting sleeves, and use potholders when touching anything that could be hot.

Ensure alarms are working. Check that their home has working smoke alarms and carbon monoxide (CO) detectors. These early warning fire safety tools are lifesavers!

Prepare for power outages. Locate flashlights and other battery-operated lights and make sure they are working. If there is a home generator, make sure that it is outside in a dry location, well away from windows, doors, and vents that can allow CO into the home.

PLAN A SAFE ESCAPE

Ensure Elders and neighbours have a home fire escape plan. Make sure there are two ways out of each room and that windows, doors, stairs and hallways are clear of clutter. Practice the fire escape plan together.

If there is a fire, instruct everyone to get out of the home immediately and to NOT go back inside for anything.

Make sure they know to call 9-1-1 or the local emergency number.
