NATIONAL INDIGENOUS PEOPLES Day

Wednesday June 21st, 2023

The date of June 21 was chosen to celebrate National Indigenous Peoples Day because it corresponds to the summer solstice, the longest day of the year and at this time of year many Indigenous groups traditionally celebrate their culture and heritage.

The Development of National Indigenous Peoples Day

1982 – National Indian Brotherhood, now the Assembly of First Nations, called for the creation of National Aboriginal Solidarity Day.

1995 – The Sacred Assembly, a national conference of Indigenous and non-Indigenous people chaired by Elijah Harper, called for a national holiday to celebrate the contributions of Indigenous Peoples.

1995 – The Royal Commission on Aboriginal Peoples recommended the designation of a National First Peoples Day.

1996 – National Aboriginal day was announced by the Governor General of Canada, Romeo LeBlanc, through the Proclamation Declaring June 21 of Each Year as National Aboriginal Day.

2017 – On June 21st the Prime Minister issued a statement announcing the intention to rename this day to National Indigenous Peoples Day.

Why we celebrate

It is important to celebrate Indigenous contributions to Canada and the rich diverse cultures of Indigenous Peoples. There are many Indigenous Nations across Canada, there is no catch all or universal belief, style of art or dance.

National Indigenous Peoples Day, is a day to celebrate and honour Indigenous heritage, diversity, and cultures, as well as the outstanding achievements of First Nations, Inuit, and Métis people throughout Canada.

It is a time to honour the stories and resilience of Indigenous Peoples. To allow everyone the opportunity to deepen their understanding and awareness of the unique advertisties that Indigenous Peoples face and have overcome.

Celebration of Life – Tomas Sarazin

Thomas R. Sarazin

It is with heavy hearts we announce the sudden passing of Thomas R. Sarazin (Tom) on May 20th, 2023 at the age of 51. He will be deeply missed and forever remembered by all those who were fortunate enough to have known him.

Tom was born to Jacqueline and Stanley Sarazin on April 14th, 1972 in Pembroke, ON. Dear father of Dean, Britney, Sasha (Justin) and Phoenix, and loving Papa to Delylah and Ella. Beloved brother of Greg (Helen), Henry (Donna) and Joe (Rachell). He is predeceased by his father Stanley, brother Paul and sisters Peggy and Gloria.

Tom was a huge fan of Harley Davidson and rock music. He lived and breathed both of these passions, often spending hours on his bike listening to his favorite bands. When he rode his Harley he was filled with a sense of freedom and exhilaration that was unmatched.

He was a kind hearted man who had a contagious smile that could light up the room and a heart of gold that knew no bounds.

We are deeply saddened by the loss of Tom but take solace in knowing that he loved his life on his own terms and left behind a legacy that will live on forever. He may no longer be here with us but his spirit and love will forever be with us.

LGBTQ pride

WHAT IS LGBTQ PRIDE MONTH?

This month seeks to raise awareness in society from a positive stance on the rights of the LGBTQ community, as well as to promote safe spaces where inclusion prevails and violence and discrimination against lesbian, gay, bisexual, transgender and queer (LGBTQ) people are eradicated.

The month is dedicated to promoting equal rights, as well as increasing LGBTQ visibility as a social group while celebrating sexual diversity and gender variance.

WHY IS IT CALLED "PRIDE"?

Pride, as opposed to shame and social stigma, is the perspective that drives most LGBTQ rights groups and movements around the world.

WHY IS IT CELEBRATED IN JUNE?

On June 28, 1969, police raided a gay bar in New York City known as the Stonewall Inn. The event sparked a series of riots by people in the LGBTQ community, constituting the major event leading to the gay liberation movement and the modern fight for LGBTQ rights in the US.

The month of June was chosen to honor and commemorate those Stonewall riots.

HOW IS IT CELEBRATED?

LGBTQ Pride Month events attract millions of participants from around the world each year. Today, the celebrations include parades, marches, parties, concerts/shows, workshops, among other activities that take place in different nations.

- Present the criteria used to screen the long list of alternatives
- Present the results of the coarse screening and identification of the short-listed alternatives
- Seek input on the proposed short-list of alternatives and the proposed evaluation process that will be completed to identify the Technically Preferred Alternative (TPA).

The PIC will be a drop-in format with MTO and Dillon staff available to discuss the study and answer questions. Project information, including the Class EA process, details of the long-list of alternatives, proposed evaluation criteria to identify the technically preferred alternative and project team contact details will be posted on the project website at www.Hwy60LakeDoreRd.com. An additional PIC will be held later in the study to present the evaluation of the short-listed sites and confirm the TPA.

The PIC will be held on:

Date: June 21, 2023

Time: 4:00pm to 8:00pm

Group "B" projects are considered approved, subject to compliance with the Class EA. The EA process involves the collection and integration of input from various engineering and scientific studies, as well as public, Indigenous and agency consultation. A Transportation Environmental Study Report (TESR) will be prepared for a 30-day public review towards the end of the study. The TESR will describe the coarse screening, evaluation and selection of the TPA, the Preliminary Design of the TPA and environmental mitigation measures and provisions incorporated into the design.

Health Information – Xylazine

Algonquins of Pikwakanagan First Nation

June 9th, 2023

RE: AoPFN Health Services –Xylazine Found in Street Drugs

There has been a recent increase of xylazine in Ontario's unregulated drug supply. Xylazine is also referred to as horse tranquilizer, zombie drug, tranq, or tranq dope. In street drugs, xylazine is often found cut with opioids, however, has also been cut with many other drugs. Therefore, xylazine or opioids could be found in any street drug.

Xylazine does not respond to naloxone administration.

Xylazine is typically used by veterinarians for pain relief, sedation, and muscle relaxation for large animals. The risk and severity of overdose increases when xylazine is taken with opioids, benzodiazepines, or alcohol.

Signs and Symptoms of Xylazine Use:

- Tiredness
- Faintness
- Slow breathing and slow heart rate
- Low blood pressure
- High blood sugar
- Excessive pupil constriction

Harm Reduction:

- Don't use alone: Have someone with you who is not using, on the phone, or use the Lifeguard App
- Carry naloxone and know who to use it: although not effect on xylazine, it is effective on opioids
- Call 911 with a suspected overdose: The Good Samaritan Act provides some legal protection to the person calling
- Reach out to the Mental Health Team for harm reduction supplies and counselling
