HOME-OWNERS OF
PIKWAKANAGAN!

This is your chance to contact **Ryan Carle – Project Coordinator** regarding the Water Treatment Plant and connecting to the Water Distribution System. **To be connected free of charge during the construction phase we require you to fill out a Water Service Agreement (WSA).**

PLEASE NOTE: If you have already completed a WSA, a site visit is still required to update your agreement due to changes in the connection process from the watermain to your residence. A connection will no longer be made at your current private well location. The water service connection will now be brought directly to your current water supply entry point of your home (EX. Where your well line enters your home). Private wells are still scheduled for decommissioning at the time of connection.

If you wish to remain off the Water Distribution System, we still require a completed Water Service Agreement from you stating this.

Whether you wish to be connected or not your input is important to the project.

Don't forget!

The WSA comes to you and can take as little as TEN MINUTES to complete.

For more Information or to schedule a visit

PLEASE CONTACT:

Ryan Carle:

Project Co-ordinator (ASCO) & Water Treatment Plant Operator (AOPFN)

Not a Love Story by Brian Lutes**Principle roles:**

Chenoa - Mixed Native American female, in her 20's.

Very pretty and fit. She's outgoing and confident on the outside. Sarcastic sense of humor and fearless. She will stand up to anyone, yet incredibly private and full of self-loathing. She's a survivor. (REF: Marissa Tomei in *My Cousin Vinnie* & *The Wrestler*.)

Freddy - Male, Native America, mid 20's.

Freddy is a very large burly man resembling an out-of-shape football tackle. He's Chenoa's adoptive brother and has a disturbing obsession for her that often becomes violent. Freddy is also a heavy drinker. (REF: Meatloaf in his 1978 "Bat out of Hell" music tour)

Colin - Native American Male, 20-26.

Very handsome military man and capable of handling himself. He believed he had a budding relationship with Alec and feels scorned. However, he's not petty nor an emotional game player; he's just a straight shooter and believes in putting his cards on the table.

Tate - Chenoa's son. 8 to 10 years old. Tate loves his mother and is an outgoing kid, but he's also had Freddy's influence on him and has witnessed violence and aggression. So, he's got a bit of a rebellious wild side to him, and he's emotionally immature in a lot of ways.

Medicine Man: Elder Native American to perform a funeral ritual.

* We'll be needing folks to play supporting characters & lots of **EXTRAS** *

Crew call: We're looking for passionate people to join our crew. All levels of experience welcomed!

- We provide industry pro gear - Full training - Local transportation if needed - Meals

Not a Love Story - Synopsis

Alec and Chenoa were best friends the day a savage attack destroyed their innocence and tore them apart. They were only twelve years old. Ten years later they are reunited. Both with battle scars and secrets they are too ashamed to reveal, even to each other.

Will two families at war keep these wounded souls from rediscovering what they once found in each other?

Set in the late 1970's, before the internet exposed everyone's private lives for all the world to judge, it was still possible to hide one's transgressions. But secret sins still had a way of revealing themselves and opening old wounds.

STREP THROAT

There have been an increase in the number of strep infections in the community

Group A Streptococcus (Strep) is a bacteria that can cause strep throat and/or Scarlet Fever. If strep spreads to other parts of the body it can be called invasive Group A Strep (iGAS), which is a serious and critical illness.

Strep Throat

- Strep throat symptoms typically start 1-5 days after exposure
- Symptoms include fever, sore throat with red spots, and tender/swollen neck glands

Scarlet Fever

- Symptoms of scarlet fever include: high fever, sore throat, red rash that feels like sandpaper, red lines in skin folds

© CENTERS FOR DISEASE CONTROL

How does Strep spread?

Strep is spread by direct contact with secretions of an infected person.

Treatment

- Strep treatment requires antibiotics
- Other illness can look like strep, so strep is often tested for using a swab

If you or your child are experiencing symptoms such as the ones listed above, please visit your NP/MD or the emergency department ASAP

If you have questions, please contact Jessica, CHN at 613-625-2259

Are you or another family member living with diabetes, pre-diabetes, or have a family history of diabetes?

VISION LOSS REHABILITATION
CANADA

If you answered yes, please contact your community provider to find out more and to schedule a FREE diabetic retinopathy screen today!

EYE HEALTH

Screening Initiative

EYE TIPS Earlier You Examine = Treatment = Increased Prevention of Sight Loss

How does EYE TIPS screening work?

Come to a screening day or book your 15-minute appointment. The experience includes:

1. A few questions will be asked
2. Images of your eyes will be taken
3. Results will be received in 60 seconds!

What is Diabetic Retinopathy?

Diabetic retinopathy occurs when elevated sugar (glucose) levels in your blood cause the blood vessels in the eye to swell and leak fluid into the retina. New blood vessels may also grow causing further damage.

See your eye doctor immediately, if you have any of the following diabetic retinopathy symptoms:

- Dark spots in your visual field
- Blurred, distorted or double vision
- Large "Floaters" (dots, circles, cobwebs that move across your field of vision)

Screening Date: TBD
