COMMUNITY FISH HARVEST

Pikwakanagan Fish Harvesters:

We need your help to provide fresh fish to our Elders and Community members. Many do not or can not do this any longer for various reasons.

If you can harvest 6 fish per boat each night you are out for the Community and our Elders that would be greatly appreciated.

Please clean and fillet your fish and call me for pick up and distribution.

Please try to not harvest any walleye in Golden Lake, if you must please do not spear any females as our walleye population has drastically decreased quite a lot over the years.

Harvest Responsible – only take what you need.

Thanks very much Councillor Dale 613 401 - 3180

Smelt will soon be running! Take all you can clean and eat.

Notice of Public Information Centre 2

Ministry of Transportation, Ontario

Preliminary Design and Class Environmental Assessment Study

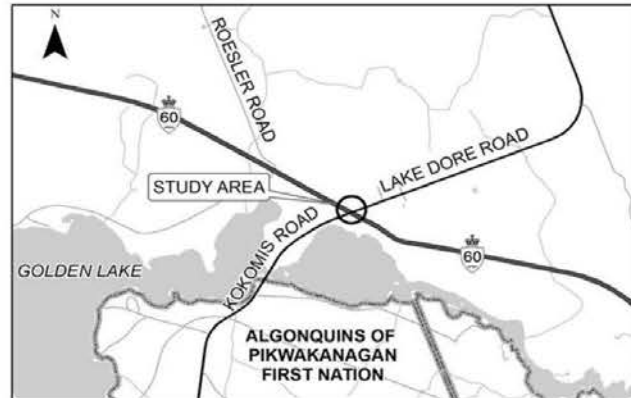

Highway 60 and Lake Dore Road/ Kokomis Road, Township of North Algona Wilberforce, County of Renfrew

(Project Reference: GWP 4137-21-00)

Study Overview

The Ministry of Transportation, Ontario (MTO) has retained Dillon Consulting Limited (Dillon) to conduct a Preliminary Design and Class Environmental Assessment (EA) Study for improvements to the intersection of Highway 60 and Lake Dore Road/Kokomis Road, located in the Township of North Algona Wilberforce, County of Renfrew (see map inset below). The purpose of this study is to generate and evaluate options to improve the operational and geometric conditions of this intersection. The study will also assess the impacts associated with the proposed improvements and identify mitigation measures to avoid or offset negative impacts, where feasible.

A Public Information Centre 1 (PIC #1) was held for the project in June 2023 and five (5) short-listed alternatives were presented, along with the proposed criteria to be used as part of a comparative evaluation to identify a Technically Preferred Alternative (TPA). Based on the comments received at PIC #1 and further design reviews, the project team identified the need for additional consultation and refinements to the alternatives. Two (2) short-listed alternatives were subsequently screened out from further consideration, leaving three (3) alternatives that were evaluated to identify the TPA.

Public Information Centre #2

A second PIC will be held to present the results of the comparative evaluation of the three short-listed alternatives and the recommended TPA, as well as to provide an opportunity to review and comment on the proposed design, potential effects, and proposed mitigation measures on the following date/location:

Date: April 17, 2024

Time: 4:00 p.m. to 8:00 p.m.

Location: Golden Lake Community Hall, 3310 Lake Dore Rd, Golden Lake, Ontario, K0J 1X0

The Process

The study is being completed in accordance with the *Class Environmental Assessment for Provincial Transportation Facilities* (2000) as a Group 'B' project. A Transportation Environmental Study Report (TESR) will be prepared for a 30-day public review towards the end of the study. The TESR will describe the EA process, evaluation and selection of the TPA, the Preliminary Design of the TPA, and recommended environmental mitigation measures.

Comments

Consultation is an important component of the study. If you would like to provide comments, or be added to the project mailing list, contact either of the following:

Stephen Peck, P.Eng., Project Manager

Dillon Consulting Limited
177 Colonnade Road
Nepean, Ontario, K2E 7J4
Tel.: 416-229-4646 Ext. 2016
Email: Hwy60LakeDoreRd@Dillon.ca

Mark Pedlar, Project Manager

Ministry of Transportation, Ontario
1355 John Counter Boulevard
Kingston, Ontario, K7L 0E5
Tel.: 1-613-449-0531
Email: Mark.Pedlar@Ontario.ca

Information made available at the PIC #2 will also be posted on the project website: www.Hwy60LakeDoreRd.com. We invite you to review the materials at the PIC #2, or on the project website, and provide comments and/or questions by **May 1, 2024**.

If you have any accessibility requirements in order to provide comments on this project, please contact one of the Project Team members listed in this notice. Comments and information collected during the study will be used in accordance with the *Freedom of Information and Protection of Privacy Act* and *Access to Information Act*. With the exception of personal information, all comments will be part of the public record.

Pour des renseignements en français veuillez communiquer avec Sydney Tasfi au 1.888.345.5668 poste 1005 ou www.Hwy60LakeDoreRd.com.

Unlock Your Path to a Fulfilling Career! Environmental Public Health Bursary Program for Indigenous Students

Are you an Indigenous individual seeking a career that makes a meaningful impact? The Environmental Health Foundation of Canada, in collaboration with Indigenous Services Canada, is pleased to offer a bursary program designed to support Indigenous students on their educational journey to becoming Environmental Public Health Officers (EPHOs).

Why Consider a Career as an Environmental Public Health Officer?

- **In-Demand Career:** Enter a career that is in high demand across Canada, particularly in First Nations communities. EPHOs do work that is exciting, rewarding, and different everyday while earning a good salary and providing essential public health services.
- **Flexible Schooling Options:** Whether entering directly from high school, holding a bachelor's degree in science, or currently working in a related career, there are diverse educational paths available.

What the Bursary Offers:

- **Financial Support:** The bursary supports attendance at any educational program accredited by the Canadian Institute of Public Health Inspectors (CIPHI) by covering tuition and some living costs.
- **Renewable:** This isn't a one-year opportunity! The bursary is renewable, providing sustained support throughout your academic journey.
- **For All Stages:** Whether you're entering school in 2024 or already attending an accredited program, the bursary is available to you.

Who is Eligible:

- Any Indigenous individual attending or applying to a CIPHI accredited program. View the list of accredited programs at ciphi.ca/certification

Important Dates:

- **Application Window:** Applications are due April 30th, 2024. Late applications will be considered until all spots have been filled. Apply before April 30th for the highest chance of obtaining a bursary.

Apply Now: <https://www.ehfc.ca/bursaries-information>

Shape your future. Apply for the Environmental Public Health Bursary for Indigenous Students today!

NATURAL RESOURCES DEPARTMENT

• Acting Manager, Steven Benoit •

Steve is a member of Algonquins of Pikwakanagn who resides in the community. Steve was formally a member of Council for last 6 years and was able to gain various key factors of experience which he brings to his role as Acting Manager of the Natural Resources Department.

Steve has a passion for hunting, fishing, and trapping and is a true advocate for the community, their rights and the rights to our Natural Resources.

 613-625-2800 ext 253

 mgr.nrd@pikwakanagan.ca

• Field Administrative Coordinator, Larissa Luloff •

Larissa is a member of Algonquins of Pikwakanagn, born and raised here in the community. Larissa is excited to share her personal passion and skill of hunting, fishing and foraging with the Natural Resources Department where she will be able to support the community in advocating for their harvesting and trapping rights and keeping the department organized as it continues to develop its programs and services for members.

 613-625-2800 ext 249

 field.admin@pikwakanagan.ca

• About The Natural Resources Department •

Natural Resources Department was created by Chief & Council in 2022, to meet the needs of Algonquins of Pikwakanagan First Nation and its people, in all areas of resource management throughout the Algonquin Traditional Territory.

The Natural Resources department will support, foster, and aid in asserting AOPFN's self-determination and jurisdiction over Algonquin Traditional Territory.

The Natural Resources Department is instrumental in educating others on Algonquins of Pikwakanagan rights, values, traditions, practices and laws on and in maintaining the protection, conversation, enhancement and restoration of wildlife, fish, and various ecosystems within the Algonquin Traditional Territory for the benefit of its people and future generations.

About me

Trinity Turcotte

Acquisitions Administrator Finance Department

Kwey, I'm Trinity Turcotte, the new Acquisitions Administrator with the Finance Department. Originally from Ottawa, but I had the opportunity to spend a lot of my time in Golden Lake/ Pikwakanagan growing up where my family and I have been camping at Cedar Beach majority of my life.

I now have the opportunity to spend more of my time in the community living and working in the area full time.

I enjoy the outdoors, music including singing and playing the guitar. I have also become quite passionate about beading and even sharing some of my creativity with friends, family and co-workers.

My Responsibilities

As Acquisitions Administrator for the Administration a big portion of my role is purchasing good and services ordered by and for surrounding department to provide programs and services to the community. I receive all orders and keep inventory of all purchased items.

I look forward to using and growing my skills and abilities to support the Finance Department and the Organization in providing programs and services to clients and community members.
