COMMUNITY FISH HARVEST

Pikwakanagan Fish Harvesters:

We need your help to provide fresh fish to our Elders and Community members. Many do not or can not do this any longer for various reasons.

If you can harvest 6 fish per boat each night you are out for the Community and our Elders that would be greatly appreciated.

Please clean and fillet your fish and call me for pick up and distribution.

Please try to not harvest any walleye in Golden Lake, if you must please do not spear any females as our walleye population has drastically decreased quite a lot over the years.

Harvest Responsible – only take what you need.

Thanks very much Councillor Dale 613 401 - 3180

Smelt will soon be running! Take all you can clean and eat.
