JULY

CHIEF & COUNCIL UPDATE

July 18th, 2025

A community celebration was held on the afternoon of Wednesday July 9 when Chief and Council welcomed dozens of community members and staff to the groundbreaking ceremony for the new building for Pikwakanagan's own child, youth and family wellness agency Nigig Nibi Ki-win Gamik.

This was a major milestone for Pikwakanagan in a process that began years ago. Pikwakanagan's Child and Family Wellbeing Law was voted on and approved by the membership in 2023 and came in to full force and effect in 2024. The official groundbreaking signals that construction of our new building will begin this summer.

Nigig Nibi Ki-win is the result of years of work by Pikwakanagan leadership, staff, and the Pikwakanagan community – with advice and guidance from Pikwakanagan's Elders and Traditional Knowledge Keepers.

"This is more than just a groundbreaking ceremony. Today, we begin building more than a structure of brick, wood, and steel. We are building a place rooted in love, safety, and cultural belonging for our children. A place that will reflect the strength of our people, and the teachings passed down through generations." Chief Greg Sarazin stated in his opening remarks.

Notice of Completion Highway 60 and Lake Dore Road/ Kokomis Road Intersection Improvements Transportation Environmental Study Report

Ministry of Transportation, Ontario

Preliminary Design and Class Environmental Assessment Study

Township of North Algona Wilberforce, County of Renfrew

(Project Reference: GWP 4137-21-00)

STUDY OVERVIEW

The Ministry of Transportation, Ontario (MTO) has retained Dillon Consulting Limited (Dillon) to conduct a Preliminary Design and Class Environmental Assessment (EA) Study for improvements to the intersection of Highway 60 and Lake Dore Road/Kokomis Road, located in the Township of North Algona Wilberforce, County of Renfrew (see map insert to the right). The purpose of this study is to generate and evaluate options to improve the operational and geometric conditions of this intersection. The study will also assess the impacts associated with the proposed improvements and identify mitigation measures to avoid or offset negative impacts, where feasible.

THE PROCESS

The study is being completed in accordance with the *Class Environmental Assessment for Provincial Transportation Facilities* (2000) as a Group 'B' project. A Transportation Environmental Study Report (TESR) has been prepared for a 45-day public review period between July 14 and August 27, 2025. The TESR describes the EA process, evaluation and selection of the Technically Preferred Alternative (TPA), the Preliminary Design of the TPA, and recommended environmental mitigation measures.

The TESR can be found at the project website at:

www.hwy60lakedorerd.com. Physical copies of the TESR will also be available at the following addresses during the same period:

**North Algona Wilberforce
Township Municipal Office**
1091 Shaw Woods Rd
Eganville, ON K0J 1T0

Golden Lake Post Office
3310 Lake Dore Rd,
Golden Lake, ON K0J 0A8

Algonquins of Pikwàkanagàn

First Nation

Pikwàkanagàn, ON K0J 1X0

COMMENTS

Interested persons are encouraged to review the report and provide comments by **August 27, 2025**. Comments on this document can be submitted directly to the project team via email, letter, or telephone using the following contact information:

Stephen Peck, P.Eng.,

Project Manager

Dillon Consulting Limited
177 Colonnade Road
Nepean, ON K2E 7J4
tel: 416-229-4646 Ext. 2016
e-mail: Hwy60LakeDoreRd@Dillon.ca

Mark Pedlar, Project Manager

Ministry of Transportation, Ontario
1355 John Counter Boulevard
Kingston, ON K7L 0E5
tel: 1-613-449-0531
e-mail: Mark.Pedlar@Ontario.ca

Comments can also be provided directly through the project website using the comment form available on the "Contact Us" webpage that can be found at: www.hwy60lakedorerd.com/contact-us.

In addition, should individuals have serious unresolved concerns, a request may be made to the Ministry of the Environment, Conservation and Parks (MECP) for an order requiring a higher level of study (i.e., a Section 16 Order, previously referred to as a bump-up request). A Section 16 Order may require the project proponent to either undertake further studies, monitoring, or consultations, or submit a Comprehensive EA for approval before proceeding. You may only ask the minister to make a Section 16 Order if:

- You have outstanding concerns that a project going through a Class EA process may have a potential adverse impact on constitutionally protected Aboriginal and treaty rights; and
- You believe that an Order may prevent, mitigate, or remedy this impact.

Requests on other grounds will not be considered. Requests for a Section 16 Order must be submitted in writing using MECP's standard Section 16 Order Request instructions, which can be found on the Ontario Government website: <https://www.ontario.ca/page/class-environmental-assessments-section-16-order#section-3>.

The request must clearly outline the unresolved concerns, including any potential adverse impacts on constitutionally protected Indigenous or treaty rights. It is recommended that any concerns first be raised directly with the project proponent to attempt resolution through the Class EA process.

Requests should be addressed to the Minister of the Environment, Conservation and Parks and a copy sent to the Director of the Environmental Assessment Branch at the following address:

**Minister, Ministry of the Environment, Director, Environmental
Conservation and Parks**

777 Bay Street, 5th Floor
Toronto, ON M7A 2J3
Minister.mecp@ontario.ca

Assessment Branch

Ministry of the Environment,
Conservation and Parks
135 St. Clair Avenue West, 1st Floor
Toronto, ON M4V 1P5
EABDirector@ontario.ca

Additionally, copies of the request should be forwarded to MTO and Dillon at the addresses listed above. If no Section 16 Order requests are received by the end of the 45-day public review period, the project will be considered to have met the requirements of the Class EA and may proceed to Detail Design.

If you have any accessibility requirements in order to provide comments on the TESR, please contact one of the Project Team members listed in this notice. Comments and information collected during the study will be used in accordance with the *Freedom of Information and Protection of Privacy Act* and *Access to Information Act*. With the exception of personal information, all comments will be part of the public record.

Pour des renseignements en français veuillez communiquer avec Sydney Tasfi au 1.888.345.5668 poste 1005 ou www.hwy60lakedorerd.com.

Protect your health.

Let's
break it
down.

Getting vaccinated for
hepatitis B also protects
against liver cancer.

Get the facts.

Get vaccinated.

#WorldHepatitisDay
worldhepatitisday.org

World
Hepatitis
Day 28 July

WHAT IS HEPATITIS?

Hepatitis Virus

causes infection
and inflammation of the liver

Hep B & C

can lead to severe liver disease and
possibly death

Hep B & C

are spread by blood, semen
and other body fluids

325 million

people were living with chronic
hepatitis infections worldwide in 2015

1.34 million

people died of hepatitis in 2015
globally, exceeding deaths from HIV

Everyone could be at risk of hepatitis - risks include:

Unsafe
injections
& medical
procedures

Unsafe
sex

Mother
to child
transmission

Injecting
drug use

• KNOW HEPATITIS GET TESTED!

95% of people with hepatitis are
unaware of their infection

Due to lack of awareness and poor access to hepatitis tests

• KNOW HEPATITIS DEMAND TREATMENT!

95% of people with
hepatitis C can be completely
cured within 2-3 months

Treatment of Hep B & C can
prevent life-threatening
cirrhosis & liver cancer

HOW TO REMOVE A BLACKLEGGED TICK

Removing a tick is the same for humans and animals. **It's important you do not crush, nor squeeze the body of the tick when removing it, to minimize the risk of Lyme bacteria passing from the tick's body into the bloodstream.**

1. Use a fine-tipped tweezer and grasp the tick as close to your skin as possible, approach the tick with the tweezer in a sideways angle and pinch the tick head. When you think you are close to the head which would be embedded into the skin pull the tick straight up and out with a steady motion, avoiding twisting or squeezing the tick.

2. It's important to check yourself and your pets after you have spent time outdoors in areas with shrubs, long grass or piles of leaves, ticks no longer live in the woods, or fields as once thought. The Eastern Ontario Health Unit says tick bites are "usually painless," and you may not realize you have been bitten. Look for ticks often in the groin, belt area, arm pits, or behind the knee.

3. Talk to your veterinarian about tick prevention and care for your pets. Pets that go outdoors can carry ticks into your yard or home, which could increase your chance of a tick bite.

If a tick has been on you for **less than 24 hours** remove, kill and throw it away. Once you have removed the tick, wash your skin with soap and water and then disinfect your skin and your hands. (rubbing alcohol is good)

If a tick has been on you for **more than 24 hours** seek medical attention. Some symptoms you may experience would be a summer flu-like illness, achy and no rash, or you may see a circular rash and not always in a bull eye appearance, the rash would be warm to touch and can look like a spider bite or a bruise. Swollen glands, stiff neck and joint pains have also been associated with tick bites.

When seen by a health care professional, an antibiotic Prophylaxis is given as a preventive measurement against Lyme disease following a tick bite. Prophylaxis is a one-time dose. Your local Pharmacist can give you the one-time dose, if you can not be seen by a health care provider.

For further information or if you have questions contact the Community Health Team, Melissa Pessendawatch at chr@pikwakanagan.ca or 613-625-2259 ext. 224

Supporting You To Take Control Of Your Health

Living A Healthy Life With Chronic Conditions Online Wednesdays, August 27th-October 1st 1:00 PM to 3:30 PM

“Living a Healthy Life with Chronic Conditions is a six week workshop for anyone with a chronic health condition as well as their family members and/or caregivers. This could include diabetes, heart disease, arthritis, lung disease, and other chronic health issues. Anyone can register themselves for a workshop; no referral from a health care professional is needed. Workshops are highly interactive.”

“You will be in a group of 6-12 people with two peer leaders. You can choose whether or not to be seen on camera.”

csp@pikwakanagan.ca

2025 Environmental Coordinator

Hello, I am Sandra Kutschke-Gagnon, and I have been hired as the Environmental Coordinator. My responsibility is to test your drinking water in our community to ensure that we have safe drinking water. This includes all AOP homes, community buildings and Marquardt's beach for the summer day camp kids.

During the next few weeks, I will be visiting homes to collect water samples which will be taken to the Renfrew County Health Unit, to be sent out to a laboratory in Ottawa for testing. Once the results are returned, I will then hand deliver them to your home.

If you have any questions about your water results, or to book a timing with me feel free to contact me at the health center, **613-625-2259** and leave a message.

AOPFN Limited Partnership

I am Crystal Benoit, the new Business Development Officer at AOPFN Limited Partnership. I am passionate about spotting opportunities, building strong connections, and helping AOPFN members grow. Before stepping into this role, I worked as

a project coordinator in AOPFN's Consultation department, and having lived in Pikwakanagan for over 11 years, I feel deeply connected to the community. My focus is on engaging with members, finding funding opportunities, and organizing workshops that support skills development and innovation. When I am not brainstorming fresh ideas or meeting with members, you will likely find me out golfing, fishing, kayaking, or just soaking up the outdoors. I am always on the lookout for my next adventure, whether it is in nature or in business development.

Come in and see me today!

Or contact me at bdo@pikwakanagan.ca 613-625-1551

AOPFN Limited Partnership

I'm Grant Summers, the new Procurement Officer at AOPFN Limited Partnership. I was born and raised in Round Lake and enjoy living in a small community. The last four years I lived in Peterborough, Ontario

studying at Trent University. I graduated with a Business Administration Degree and had the opportunity to intern with the Peterborough Petes OHL hockey team. When I am not at work I enjoy watching and playing all different kinds of sports like hockey, baseball and volleyball. I am excited about the opportunity to work within your great community. I look forward to learning from everyone and doing everything I can to bring business opportunities to the community. **Come in and see me today!**

Or contact me at 613-625-1551

AOPFN EMPLOYMENT OPPORTUNITY

Resource Teacher

Department: Mindiwin Manido Day Care

Supervisor: Daycare Supervisor

\$49,628/ annually - 35 hours a week - Full-Time Permanent

Deadline to Apply: Posting will continue until roles are filled.

In collaboration with and in partnership with families, colleagues and community programs/services, the Resource Teacher is responsible for supporting the integration and full inclusion of children with diverse needs. The Resource Teacher is responsible for providing high quality childcare within a safe and healthy environment and ensures compliance with relevant legislation, AOPFN policies and procedures, and the College of ECE's Standards of Practice and Code of Ethics. The Resource Teacher also provides age-appropriate programming in a group setting that meets diverse needs and promotes optimum physical, emotional, social, cognitive and intellectual development of the children in care.

- Creates an environment conducive to the learning of Algonquin culture and language development and appropriate to the physical, social, intellectual, and emotional development of the children.
- Receptive and sensitive to Algonquin language and cultural practices.
- Application and knowledge of the Ministry of Education's pedagogy under the COEYA, 'How Does Learning Happen?'
- Based on professional independent assessments, develop and implement Individual Developmental Programs to enhance children's cognitive, physical, social and emotional development in accordance with organizational and legal guidelines, as follows:
 - Provide a daily balance of active/quiet, indoor/outdoor, and individual/group activities.
 - Establish and carry out a daily activity schedule that incorporates child directed activity, physical care routines and transition times.
 - Assist children in expressing themselves by listening and responding with questions or comments that extend conversations.
 - Prepare appropriate materials and equipment and set up areas for planned activities.
 - Support positive experiences and outcomes and provide a welcoming and nurturing

For full Job Description, please email hr@pikwakanagan.ca

REQUIREMENTS:

- Successful completion of Post Secondary Education Diploma in Early Childhood Education with a combination of certificates and training that is both theoretical and practical and relates to the needs of children with diverse needs.
- 1-year experience working in a position that includes support for and care of children with diverse needs.

CONDITIONS OF EMPLOYMENT:

- Vulnerable Sector Checks, annually per the Childcare and Early Years Act and associated regulations.
- Proof of Education, equivalency and/or work-related experience, as requested.
- Proof of Registered Early Childhood Educator (RECE) membership with the College of Early Childhood Educators in good standing.
- Valid Standard First Aid Certification including infant and Child Cardiopulmonary Resuscitation (CPR).
- Submission of an up-to-date Immunization Record, annually.

Project Coordinator – Coop /Intern

At Modern Niagara, we value passion, initiative, determination, professionalism, and teamwork and we are committed to ensuring that our teams have everything they need to succeed. Health and safety are embedded in everything we do and, as a result, our award-winning safety culture has a record that's well above industry standards. Modern Niagara is one of Canada's Best Managed Companies and is a recipient of SMACNA's Safety Excellence Award Program (SSEAP) – Canada and the Canadian Occupational Safety (COS) Magazine's Canada's Best Health + Safety Culture Award and Canada's Safest Employers Award in the Building and Construction category.

We currently have Project Coordinator co-op opportunities for talented and creative students to be part of our team and share our values and passion. We are looking for motivated, multi-faceted technically inclined students who enjoy working on a wide variety of tasks, are quick to learn, and are keen to make a significant contribution to a successful and growing company. Our career opportunities offer creative challenges to learn and develop new skills and experiences.

We are open to any or a 1-month co-op placement, working out of our Ottawa region office and/or site locations.

- Work with Project Managers for reporting and gathering of information
- Assist with site contract document control
- Work with general contractors to coordinate priorities and activities
- Coordinate and support various meetings with subcontractors and clients
- Support the management and monitoring of a construction schedule
- Communicate and relay information between office personnel and field staff
- Support project managers, coordinators and foremen on various other projects as requested

OVERVIEW OF RESPONSIBILITIES:

QUALIFICATIONS:

- Working towards a University degree or College diploma in a related field such as Mechanical, Civil or Electrical Engineering or applicable education
- Strong organizational skills and attention to detail
- Strong computer skills with hands-on working knowledge of MS Office, particularly Excel and Word
- Team player, energetic, resourceful, reliable and timely
- Eager to work and learn in a fast-paced industry
- Comfortable working on a construction job site, or office setting

Desirable:

- Related work experience is an asset, including from other co-op placements, internships, projects
- Experience in the construction industry a strong asset but not mandatory
- Basic understanding of plumbing and HVAC systems an asset but not necessary
- Working at Heights Certificate – not mandatory, as we will provide training

If this opportunity speaks to you, please feel free to reach out directly at blamarche@modernniagara.com. Whether you have questions or just want to express interest, I'm here to connect.

At Modern Niagara, we are committed to fostering a diverse, equitable, and inclusive organization where everyone has access to the same opportunities, experiences equitable outcomes, and can thrive and reach the potential. We recognize the systemic barriers faced by members of equity-seeking groups, including women,

Indigenous, Black, racialized, 2SLGBTQIA+ individuals, people with disabilities, and newcomers to Canada and are actively working to eliminate these barriers within the construction industry.

As part of our ongoing reconciliation efforts and DEI strategy, we acknowledge that Indigenous Peoples in Canada have historically faced systemic barriers to employment. We are committed to targeted hiring as a meaningful step toward reconciliation. This approach aligns with our obligations under the Canadian Human Rights Act, the Employment Equity Act, and the Truth and Reconciliation Commission (TRC) Calls to Action. We value the diversity of the people we hire and serve. Modern Niagara is an equal opportunity employer. If you require accommodation during the recruitment process, please advise us so that suitable accommodations can be made. We can be reached at coop@modernniagara.com.

We thank all applicants for their interest; however, only those selected for an interview will be contacted.

How To Access 'Members Only' Section of Website

Please Note that the link to Regular Council meetings, minutes and agenda packages are available in the Members only section of the website.

Steps:

1. Open a browser and enter: www.algonquinsopikwakanagan.ca
2. Find the "Member Login" box (scroll down on home page or on side bar)
3. Click on "Log in as member of the Algonquins of Pikwakanagan First Nation"
4. You will be brought to the "Member Login" section
5. Click on the words "Click Here for the registration form"
6. You will be brought to the "Membership Registration"
7. Click the "Register" button and wait for your email notification

This website contains content that is private for Algonquins of Pikwakanagan members only. To access the private content, please fill in the registration form. A Membership official will verify your membership in the community and you will receive access.
